Eisenhower Hails Theme

Newspaper Week Opens

Today marks the beginning of National Newspaper Week — Oct. 15-21 — with "Your Newspaper—Freedom's Textbook" the theme.

The theme has been hailed by President Dwight D. Eisenhower as representing "the hopes and achievement of American journalism."

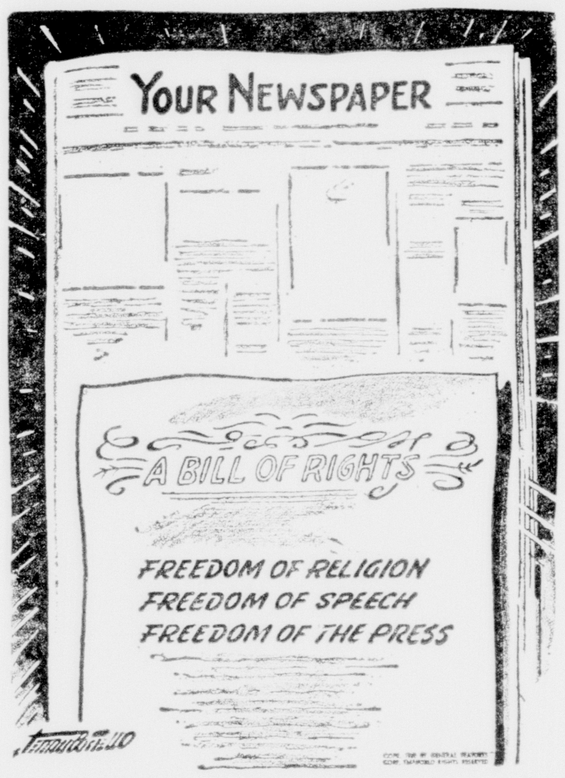

The President had this to say: "As our editors report the daily affairs of their communities with zeal and accuracy, they help to supply our citizens with lessons of history, together with the information which is required to make history move steadily forward in the direction of freedom and justice."

VICE PRESIDENT Richard M. Nixon saluted the annual celebration by noting, "In observing National Newspaper Week, newsmen everywhere will be encouraged to focus their attention on the problems and responsibilities of a free press. In this way, the freedom of all of us will be strengthened."

Nixon also commented: "Freedom of the press is one of the fundamental freedoms on which our nation was founded. It is today, and should remain, one of our most highly cherished principles.

"In ours, as in any free society, this freedom confers the tremendous responsibility on our publishers, editors and reporters to keep our citizens well informed and alert. Without freedom of information there can never be true democracy. Freedom of expression is the strongest guarantee that the other freedoms, on which democracy is based, will be perfected."

Newspaper Week is observed annually by newspapermen and women throughout the nation to call the public's attention to the value of a free press to a free nation.

IN THE interest of reminding the public of its hard - earned right to and benefits from an unfettered press, Newspaper Week was founded in 1940 by its annual sponsor, Newspaper Association Managers, Inc., in cooperation with national, state and regional press associations.

National chairman for 1959's observance is G. Richard Dew, general manager of the Pennsylvania Newspaper Publishers Association. Other members of the National Newspaper Week executive and planning committee serving with Dew are: Edgar S. Bayol, National Editorial Association; Jones W. Giles, Alabama Press Association; Glenn E. McNeil, Tennessee Press Association; Ben Blackstock, Oklahoma Press Association; Homer J. Givens, South Dakota Press Association, and Stanford Smith, American Newspaper Publishers Association.

More People Fleeing Brush Fire On Coast

Prospect For Early Control Held Dim; Smoker Is Blamed

LOS ANGELES (AP)—Sheriff's officers started evacuating residents in the lower end of Arroyo Seco Canyon as a foothill brush fire today moved toward suburban communities north of Los Angeles.

The fire — believed caused by a reckless flip of a cigarette — has covered about 3,000 acres of watershed along a 30-mile perimeter.

The blaze is about a mile from the town of Altadena, north of Pasadena. This was on the southeastern front of the flames.

On the northern perimeter, the blaze made another major breakthrough as it seared 500 acres of a picnic area known as Oakwilde and raced toward Angeles Crest Highway, a major thoroughfare.

Although the winds had subsided in the fire area, prospects for controlling the blaze still were dim.

One county fire captain said: "It looks like it'll take a couple of days at least. We haven't had much rain at all the last few years and I've never seen the brush so dry.

"This stuff doesn't burn—it explodes."

Only a few homes had been damaged since the fire broke out Tuesday along Angeles Crest Highway above the foothill suburb of La Canada. But flames were only a mile or so from other expensive homes today, and a burst of the whimsical wind could put them in genuine peril.

Families were standing by for a possible evacuation of Briggs Terrace, an area above the community of La Crescenta and about 15 miles north of downtown Los Angeles.

Several hundred persons, including actor Dennis Morgan, were driven from their homes above La Canada Tuesday night. The $100,000 mansion of contractor Guy F. Atkinson was listed as 50 per cent lost and several other homes were less seriously damaged.

Southeast of La Canada, the fire was headed toward Altedena, above Pasadena, but homes there were not in immediate danger. Flames were about a mile from Caltech's Jet Propulsion Laboratory, but the space research facility was not in jeopardy.

2 American Scientists Awarded Nobel Prizes

STOCKHOLM, Sweden (AP)—Two American scientists were awarded this year's Nobel prize in medicine for pioneer research into the basic mechanisms of heredity.

They are Dr. Severno Ochoa of New York University College of Medicine, and Dr. Arthur Kornberg of Stanford University, California.

Steelworkers Feeling Pinch Of Long Strike

PITTSBURGH, Pa. (AP)—The half-million striking steelworkers who haven't picked up a pay check in 13 weeks are a strike-wise, resourceful lot, but their financial positions worsen as the 93-day-old dispute lengthens.

What sources of income do they have? For the great majority the answer is "none."

Many of the family men in the steel mills learned long ago to start building up a cash reserve months before contract time rolls around. Then they try to stretch the reserve during the work stoppage.

A few — a very few — are fortunate and find part - time jobs. In New York state, a big exception, striking workers are eligible for unemployment benefits.

But New York is the only state with such legislation. For the most part the workers are shifting for themselves. The United Steelworkers international has no strike fund; it pays the workers no benefits.

Some of the union locals, with healthy reserves, make a stab at caring for proven hardship cases. In most of those cases the locals buy food in wholesale lots and distribute it to the needy.

St. Clair Work Nearing Close

City Borrows Roller After Breakdown

Heading into the homestretch in a sealcoating project on outer St. Clair Ave., street department crews may finish the job today by working a few extra hours, Supt. W. M. Laughlin said.

When work resumed this morning, the job had been completed except for one lane between Garner Ave., Maplewood, and the city limits near Cain St. The project stretches from the Riverview Cemetery entrance to Cain St. It began Tuesday.

The crew lost about a half a day Wednesday because of a breakdown of the city-owned roller, but was able to resume work after another roller was borrowed from the H. & H. Construction Co. of East End, Laughlin said.

A steering arm broke on the city's roller. When it was being moved off the street, the cylinder struck and broke the oil filter and its case, Laughlin explained.

As it stood this morning, work had been completed on one lane for the entire length of the stretch and the second was finished from the cemetery entrance to Garner Ave. The sealcoat—the second applied in recent weeks—is designed to protect the blacktop surface against further weather damage this winter. Council appropriated $2,500 for the two sealcoats—liquid asphalt with a covering of slag rolled in place.

Soviet Attack On Capitalism Seen Changed

Say It's Productive But Wasteful; Mr. K Visit To U.S. Cited

WASHINGTON (AP)—U. S. propaganda chief George V. Allen said today the Communists have changed their line of attack against capitalism because of what Soviet Premier Nikita Khrushchev discovered on his trip to the United States.

Allen, head of the U. S. Information Agency, said the Communists now admit capitalistic production is abundant—but wasteful.

In a speech prepared for a meeting of the Public Relations Society of America, Allen said: "I don't know whether Mr. Khrushchev liked what he saw in the United States or not. But in the future, it won't be quite as easy for him to believe some of the nonsense about America projected to the world by his own propaganda mechanism.

"Soviet propaganda has held that under American capitalism, the poor were constantly getting poorer. Since the Khrushchev visit this line already has changed.

"Now, Moscow admits that capitalism produces an abundance for the masses. The trouble with capitalism, we are now told, is that it is wasteful—that socialist planning will also bring abundance but with less waste of effort and of natural resources!

"What Khrushchev and his companions saw for themselves in America seems to have already exploded some of their preconceived notions about this country."

Sen. Humphrey Backs UAW Aims, Attacks Ike

ATLANTIC CITY, N.J. (AP)—Sen. Hubert H. Humphrey (D-Minn) today endorsed political goals of the United Auto Workers and attacked the Eisenhower administration as "a no-go, go-slow, not-now, veto and injunction government."

In a speech prepared for the UAW convention, Humphrey said the union has hammered out a "magnificent forward-looking program" including a strong civil rights proposal.

"We must have a meaningful civil rights bill," he said.

Humphrey was the third Democratic senator considered a prospect for the presidential nomination in 1960 to go before the 2,500 delegates. Sen. Stuart Symington of Missouri spoke Wednesday and Sen. John Kennedy of Massachusetts spoke Monday.

Besides civil rights, Humphrey singled out for approval several other measures in a political action program adopted by the convention, including federal aid to education, increasing the minimum wage to $1.25 and medical care for old people.

Van Doren's Set To Face TV Probers

Accepts Subpoena; Refuses To Discuss '21' With Reporters

NEW YORK (AP)—"I really did not know of the great interest you had in me until yesterday — and here I am today which is as soon as it was humanly possible for me to meet with you."

It was Charles Van Doren speaking. The 33-year-old English instructor appeared in public Wednesday to accept a subpoena to testify Nov. 2 before a House subcommittee.

At a tumultuous news conference, Van Doren said he "was so distressed by the events of the previous days" that he took a week's leave from his teaching post at Columbia University and had been on a trip to New England "to gather my thoughts."

Van Doren, reading from a hand-written statement on yellow paper, apologized for what he called "my apparent aversion" to the press for the last several days.

But he refused to discuss his quiz show earnings in advance of his scheduled appearance in Washington.

The subpoena, issued last Friday, summons him to tell how he won $129,000 on NBC's now defunct Twenty-One show in 1956-57.

Rep. Oren Harris (D-Ark), chairman of the investigation, had charged Van Doren with dodging the subpoena.

But Van Doren said in his statement that the first he knew of the order was Monday night and that he then made himself available.

He said he was distressed last week when NBC suspended him as a $50,000-a-year network consultant pending the outcome of the investigation. He got the job after his TV appearances.

In testimony before a New York County grand jury last year Van Doren denied getting help while a contestant. He repeated this later by telegram to the Washington subcommittee.

However, he declined to reaffirm these statements.

The committee also plans to hear testimony about CBS's $64,000 Question, first of the big-money quiz programs.

A statement by counsel Robert W. Lishman in Washington that the subcommittee has information that the show was rigged brought a flood of statements from former participants on that program and a companion show, the $64,000 Challenge.

Among defenders of the first show were former contestants Tom Kane of Buffalo, N.Y., and Myrt Power of Buford, Ga.

Kane said, "To my knowledge the shows I appeared on were absolutely beyond reproach." Mrs. Power said, "If somebody had been giving out the answers I wouldn't have stopped at $32,000."

Chamber's Rural-Urban Day

60 View District Farms

Although agriculture probably is the world's oldest occupation, constant change has kept it in pace with the jet age world, about 60 East Liverpool Chamber of Commerce members and their wives learned Wednesday afternoon in a tour of the rural area of southern Columbiana County.

They participated in the third annual Rural-Urban Day observance — an exchange of visits between city dwellers and farm folks arranged by the Chamber and the County Agricultural Council.

Part of the tour group is shown above at Crockery City Farms on Route 30, listening to an explanation of modern farming practices from Herman L. Reuter of the soil conservation service, who stands in the foreground with a small portable public address system.

Traveling in two chartered buses, the Chamber group and rural hosts ended the observance with a dinner and program last night at the Oak Ridge Presbyterian Church near Highlandtown, at which the principal speaker was Riley Dougan, farm economist at Ohio State University.

In the stop at Crockery City Farms, the group saw reclaimed strip mine spoil banks, seedings, tree plantings and a spoil bank lake. The second stop was made at the 241-acre Walter Cole Farm on the nearby Roller Coaster Rd. to observe a dairy program, a conservation plan, contour strips, diversion terraces and pasture seeding.

The group halted at the Morgan Monument near West Point

U.S. Likely To Offer Rival Plan On Arms

Would Give Proposal When Red Premier Gives His At Talks

UNITED NATIONS, N.Y. (AP)—Word circulated today that the United States will present a rival arms plan when Soviet Premier Nikita Khrushchev's total disarmament proposal goes before the 10-nation East-West committee in Geneva.

Sources close to the U.S. delegation to the U.N. said American disarmament experts are working quietly with the State Department on a plan covering the whole arms question as well as the thorny problem of adequate controls.

U.S. Ambassador Henry Cabot Lodge hinted some such move was afoot when he spoke in the

Bad Sandwich Alibi Rejected In Drunk Case

Municipal Judge George L. Brokaw today rejected a drunken driving defendant's story that his arrest was a result of a bad sandwich he purchased in a poolroom — not whisky.

Despite the unusual defense presented by John W. Sproat of Cambridge, Judge Brokaw convicted him of the drunken driving charge filed after his arrest at 11:50 p. m. Tuesday on Dresden Ave. near the city limits.

Sproat was given the standard penalty — a fine of $300 and costs, a 10-day jail term and a 6-month suspension of his operator's permit.

Sproat denied he was under the influence of alcohol at the time he was arrested by the State Highway Patrol. He said he had two drinks of whisky between 8 and 8:30 p. m. in an East Liverpool tavern, but most of the physical symptoms he displayed resulted from a sandwich which he purchased later in a poolroom. He said the sandwich made him violently ill.

Patrolman M. R. Darrah testified he halted Sproat after observing the Cambridge man's auto weaving in the northbound traffic lane. Sproat took an intoximeter test which indicated he was under the influence of alcohol, the officer testified. He said Sproat staggered, was unable to walk a straight line and could not perform the index - finger - to - nose test for sobriety.

Truck Spills Sewer Pipe In East End

Traffic Is Blocked 2 Hours In Mishap; Operator Is Cited

A Chester man was cited by police today after his truck spilled part of its big cargo of clay sewer pipe while rounding the right-angle curve at Pennsylvania Ave. and Elizabeth Sts., blocking one traffic lane for about two hours.

Charged with spilling cargo on a street, Daniel C. Nichols of Fairview Rd. is scheduled for a Municipal Court hearing at 9 a. m. Saturday.

Police said Nichols was driving a big truck of the American Vitrified Products Co. of Virginia Ave. when a large portion of the load shifted on the curve and spilled onto the westbound lane in the busy intersection.

The company sent a highlift to the scene to shove the pipe off the street and onto the sidewalk. City employes loaded the damaged pipes onto trucks to be hauled away.

The mishap was timed shortly after 7 a. m. Patrolmen Charles A. Winters, Paul Carter and Floyd Heddleston maintained one-way traffic around the piled up pipe while the cleanup was underway. Police said about 75 per cent of the load was spilled.

There was no serious interruption of traffic, officers said, although the tie-up was in effect during the morning rush to the nearby Hall China Co.

Officers listed one other minor traffic mishap overnight. William L. Meredith of Boring Ln. told officers the left rear fender of his 1953 sedan was damaged in a hit-skip mishap sometime Wednesday while it was parked on Dresden Ave. at Smith St.

Ike Grants Extension On Report

Industry Resumes Presenting Its Side In 93-Day Strike

WASHINGTON (AP)—The government's chief fact finder said today he is "not without hope" for a settlement of the steel strike that will avert use of a Taft-Hartley law injunction.

George W. Taylor, chairman of President Eisenhower's steel inquiry board, made that comment to a reporter as industry representatives resumed presenting their side of the deadlocked labor dispute to Taylor's three - man panel.

In effect, Taylor was saying he thought it possible a settlement could be reached this weekend.

The panel is to make a report to Eisenhower on Monday. Once it reports, the way will be cleared for the government to turn to the courts and ask for an order directing that the 500,000 striking workers go back to work for an 80-day cooling off period.

Such orders are authorized by the Taft-Hartley law.

Eisenhower granted the panel an extra three days for its work—moving the deadline, for the board to submit a report to the White House, from Friday to Monday.

The panel conferred separately with the industry and union Wednesday night. Taylor was expected to announce a summary of the strike issues—the areas that need to be resolved before any agreement can be reached—at the close of formal hearings today.

The striking Steelworkers Union concluded its version of the strike issues late Tuesday.

Today was the 93rd day of the strike—the longest in the industry's history.

Steel industry witnesses were scheduled to present today an elaboration of their testimony that the union's demands confront the nation with a fateful decision — to "accept another inflationary wage increase in steel, or to go without steel."

George W. Taylor, chairman of the fact finders, indicated his belief that the mediation outlook had brightened somewhat.

John A. Morse of Bethlehem Steel said Wednesday the industry is not adamant on how labor cost economies desired by the mills are to be achieved. And Union President David J. McDonald said the steelworkers' economic demands also are susceptible to bargaining.

On Tuesday Taylor had said it would be "a miracle of the very first order" if a settlement is achieved this week. Announcing his request for a delay in the report to the White House, he indicated he holds hope of a voluntary agreement.

"Naturally our aim is to avoid filing any report at all," he told reporters. Only a settlement, or reasonably bright prospects of one, would eliminate that necessity.

Taylor said some progress has been made toward defining the strike issues. He announced there would be an unusual open session of the fact-finding board Sunday.

U.N. Fact Member 'Astonished' On Laos

TOKYO (AP) — A member of the U.N. fact-finding team on Laos expressed astonishment today at a report the group had received evidence Red China's former commander in Korea is masterminding the rebellion in Laos.

"I've never heard of it," said Brig. Gen. Heriberto Ahrens of Argentina. "This is the first time I've heard it. I'm really astonished."

Swashbuckling Movie Hero

Actor Errol Flynn, 50, Suffers Fatal Heart Attack

VANCOUVER, B.C. (AP) — Errol Flynn, whose real-life adventures often outdid his swashbuckling movie roles, died Wednesday night in an apartment where he had dropped in for a drink. He apparently suffered a heart attack.

"He died laughing," said Mrs. George Caldough, Flynn's hostess during a visit here. "He was having a good time and enjoying himself."

The graying, 50-year-old actor was en route to the airport with Mr. and Mrs. Caldough and his 17-year-old protege Beverly Aadland.

"We just dropped in to see some friends for a cocktail," Mrs. Caldough said.

Last Of 'Suitcase Potters'

Ware Worker To Retire

One of the last of the "suitcase potters" will lay down his sponge Friday, ending more than 50 years in the pottery industry.

Harley Gordon, 314 W. 3rd St., who will be 78 March 11, has completed nearly 25 years as a caster at the Harker Pottery Co. in Chester and plans to move Monday to Tiffin where his wife's relatives reside.

The term, "suitcase potter," is applicable because of the number of plants and towns where Gordon has worked.

Despite his years, Gordon was nicknamed "Flash" by his fellow workers because of his speed in turning out a day's work. But Gordon wants to spend more time fishing.

A native of Michigan, he was raised in Findlay and came to East Liverpool to start work as a presser at Plant 1 of the Homer Laughlin China Co. when it was located in the East End.

He later went to work in Beaver Falls and then entered sanitary ware at Mannington, W. Va. Gordon moved to sanitary ware plants in Tiffin and Kokomo, Ind., and then was employed at a specialty shop in Columbus.

After being employed in artware in Minerva, Gordon "settled down" at Harker's.

What did he do before he entered the potteries? "It would take a newspaper to tell all the places," Gordon said. A few of the places included work at a foundry and as an insuranceman.

Mr. and Mrs. Gordon have a daughter who lives in Dayton.

200 Attend GOP Dinner In Midland

About 200 attended a Republican dinner rally Wednesday evening at Deramo's Restaurant in Midland by the Midland area Republican Club.

Attending were candidates for offices of Beaver County, Midland, Industry and Ohio Townships. Atty. Ralph Scalera of Midland, president of the club, was toastmaster.

Mrs. R. Henry Carothers of Beaver Falls, county committee vice chairman, also attended. Frank Kelker, county campaign chairman, introduced county candidates.

John Reider, Midland Republican party campaign chairman, introduced Midland candidates. Industry candidates were introduced by Harrell Bomar.

Atty. Henry J. Albaugh of Hopewell Township, a candidate for district attorney, spoke of that office and discussed his platform. Donald Green, a candidate for Midland Borough Council, also spoke.

Leo Curto, music supervisor of the Western Beaver County School District, led singing. Miss Carolyn Black and Anthony Vohar were in charge of dinner plans.

Wellsville PTA To Hear Children's Librarian

Mrs. William Daugherty, director of the children's section at Wellsville Carnegie Library, will speak on the "New Children's Library, It's Use and Operation" at a meeting of the Wellsville McKinley Parent-Teacher Association Monday night at 7:30.

Mrs. William Bush is program chairman. The Rev. Arden Beck of the First Methodist Church will conduct devotions. Fourth grade homeroom mothers will serve refreshments. Jack Lanam is president.

School Holiday Set For Teacher Education Session

City schools will be dismissed Friday to permit teachers to attend an all - day conference on economic education at Westgate School.

The conference, which will begin at 8:30 a. m., is sponsored by the East Liverpool Teachers Association in co-operation with the Ohio Council on Economic Education and Ohio University."

At the morning session, Dr. Fred Picard, chairman of the Department of Economics at Ohio University, will speak on "The Nature and Meaning of Economics." Following a question period, the conference will be broken down into study groups on finance, agriculture, retailing, labor and industry under the guidance of local leaders.

In the afternoon, similar study groups will be held, followed by an address on "Use of Economic Education In the Classroom" by Robert L. Forbes, assistant professor of education at Ohio University and field director of the Ohio Council on Economic Education.

High School Principal George Hargraves will give the summary of the conference, which is scheduled to end at 3:30 p. m.

HERE'S WHAT MAKES *the* CORVAIR REVOLUTIONARY

Short and sweet! Engine's in the rear—where it belongs in a compact car. With more weight on rear wheels, you get extra road-gripping traction for cornering and driving on ice, mud or snow. Also, by avoiding nose-heaviness of front-engine compact cars, Corvair handles easier, brakes better, rides smoother. Styling of both 4-door models is clean and uncluttered . . . as fresh and functional as modern architecture.

AIR COOLED
You never have to fuss with antifreeze. Turbo-Air 6 warms up quicker, with less wear on parts. Airplane-type heater* goes to work almost instantly.
*Optional at extra cost.

Revolutionary Rear Engine
works small miracles with mileage. It's the world's first production 6 with the ultra-smooth power of horizontally opposed pistons.

Unipack Power Team
Engine, transmission and drive gears are neatly wrapped in one lightweight package. Takes less space, leaves you more.

UNISTRUT BODY BY FISHER
Body and frame are combined into a single rigidly constructed unit that reduces Corvair's weight, enlarges its passenger space.

Practically FLAT FLOOR
Corvair is America's only compact car with a virtually flat floor that gives you full 6-passenger comfort. For extra space, folding rear seat converts easily to make room for 17.6 cu. ft. of cargo.* *Optional at extra cost.

TRUNK'S UP FRONT
Lots of luggage space under the hood, where it's convenient for groceries, packages.

NEARLY 3 FEET SHORTER
Corvair's almost 5 inches lower, 1,300 pounds lighter, too. Its compact size makes it a joy to jockey through traffic, a pleasure to park. No need for power assists.

4-Wheel Independent Suspension
Springs at each wheel cushion bumps independently of each other for a ride that rivals much costlier cars.

. . . and the most practical thing of all is Corvair's LOW PRICE! *see it drive it*

Splitting All The 'Differences'

Suddenly the word "arbitration" is being surrounded with an aura of optimism. It might settle the steel strike, according to the optimists.

"Arbitration" also would protect the union in whatever changes management might make in local work agreements, promises the spokesman for the negotiating steel companies.

In the opinion of George W. Taylor, chairman of the presidential fact-finding trio whose report will guide the White House decision on whether to ask for a Taft-Hartley injunction to reopen the steel mills for 80 days, arbitration has been neglected.

But Dr. Taylor hedges his trust in arbitration with a safeguard that may be too high for some of its potential converts to see over.

He says arbitration cannot be compulsory. It must always be voluntary, or it is nothing but a prelude to government intervention.

It should be used only in standoffs where the outcome would be six of one, half a dozen of the other.

IT IS FEASIBLE to arbitrate a difference of opinion about whether to have mashed potatoes or home fries, because that is of no particular importance one way or the other. But it would be absurd to arbitrate a difference of opinion about operating inside or outside the law.

It is impossible to submit to arbitration, either voluntarily or involuntarily, a question of inalienable rights. In such a matter there can be no splitting of differences. Principles cannot be compromised. Honesty cannot be negotiated.

Appeasement under any other name, even "arbitration," is still appeasement.

And one more thing about arbitration as a method of smoothing over differences between management and labor must be looked at carefully through the aura of optimism that now floats over this relatively new method for settling differences.

IF ARBITRATION became fashionable and respectable, even though not compulsory, would not ruthless individuals in both management and labor be tempted to abuse it?

Would not each side confront the other with demands that could not be settled through ordinary bargaining in order to force them to be settled by arbitration?

Not all arbitration turns into compromise, but much of it does. It is a rare case in which an individual or a board of arbitration has the spunk to throw out a demand for lack of merit.

Dr. Taylor does not believe all differences can be settled by arbitration. He thinks collective bargaining should be carried on relentlessly until everything has been settled except a bare residue of differences that can safely be left to arbitration.

Only then should arbitration be used, and it should be completely voluntary. No American should be at the mercy of an arbitrator over a question of principle.

Someone else can decide the time for lunch, but no one else can decide whether a man has a right to eat lunch.

Caution: Democracy At Work

The regular session of the 103rd Ohio General Assembly finished its business only two months ago, but already the courts are well into the task of passing judgment on some of its actions.

The state Supreme Court is expected to hand down decisions momentarily on two matters that have been pushed quickly through judicial processes in order to clear the fog surrounding them before the Nov. 3 election.

Appearance of the metropolitan federations amendment on the ballot has been challenged because of a technical error in recording the proposal in the House journal.

Straight-line listing of party candidates on voting machines has been challenged because of the constitutional provision for office-type ballots in Ohio.

The state Chamber of Commerce and the Ohio Manufacturers Assn. have served notice they plan to attack the validity of a section of the law increasing unemployment compensation benefits.

Reports from Columbus indicate the strong possibility of an eventual test of the constitutionality of a law by which the Legislature attempted to solve the knotty problem of excess millage resulting from annexations.

And it is a safe bet that still more legislation approved by the 103rd will find its way into the courts.

Those who jump to the conclusion that all this legal battling is prima facie evidence of a sloppy job of legislating are forgetting an important lesson of their high school civics course.

What the court tests actually prove is that democracy is at work. Checks and balances between separate branches of government are more than just a theory on a historic piece of paper.

The legislative branch passes laws. The executive branch administers them, sometimes injecting its own ideas in the process. The judicial branch stands ready to review the actions of both when any citizen feels his rights have been trespassed upon.

The Legislature is free, in turn, to react to judicial restraints. The 103rd passed laws inspired by court decisions on enactments of previous assemblies. Future legislatures will act in response to court decisions arising out of the work of the 103rd.

It is a never-ending process. It is also a natural one in democracy, where nobody is supposed to have the final say.

Good Look At Valley

Makes no difference whether they come by boat, oxcart or airplane — the Ohio Valley's potential as an industrial center should be plainly visible to all.

The district was a stopping place last summer for a group of industrialists and financiers who toured the valley by riverboat to see the possibilities for establishing plants and businesses. They appeared to be impressed.

Now the Monongahela Power Co. is taking a plane load of investment specialists from 28 of the leading financial institutions in the East and Canada over the autumnal flatlands and hills of this area as part of a chartered flight covering Monongahela's territory in Central Pennsylvania, Maryland and West Virginia.

The final leg will be from the tip of the Northern Panhandle down the valley to Parkersburg.

That's the part we want them to see. Maybe they'll come back later and help in the valley's ultimate industrial development. The flight will be made from Greater Pittsburgh Airport.

The Once Over

By H. I. Phillips

The relief felt by millions since they heard testimony that contestants on some quiz shows got answers in advance is terrific.

"Ain't it just too, too wonderful!" is the exclamation heard everywhere among airwave addicts who sat in awe for many weeks looking at quiz show big-brains whose brilliance made spectators feel like lunkheads.

"I'm a new person," declared a woman friend. "The lift is terrific. My self-confidence is restored. My inferiority complex has gone. Night after night I listened to contestants make easy money giving the first names of three scientists who achieved four triumphs in five fields, using only the left hand.

"The realization I didn't even know their last names filled me with shame. When a big winner would come through with a speedy answer to 'Give the correct weight and height of the first wife of a well-known Nobel Prize winner and the shoe size of the second wife of the man who lost it in a photo finish, my morale hit bottom.

"I became so depressed that at one time I developed a mania. I was filled with a desire to crash a quiz show and shoot any contestant who made me feel like the outstanding dumbbell of the season. I even felt I would carve up any contestant who had to quit with less than $50,000.

"It was terrible. I became supersentitive, avoided human contacts and would even reply, 'I give up,' in answer to the simple question, 'What day is this?'

"Now, thanks to that House Committee on Legislative Over-All Briefing and Under Table Skulduggery I am once more a happy woman, no longer obsessed by a fear that perhaps, after all, I never went beyond the kindergarten."

THE GOVERNMENT staged an auction of surplus property through TV in six cities. The goods came through pretty well on the screen, considering they had never before been on TV. A huge Diesel motor had real personality and we thought the 9,000 snowshoes offered by Uncle Sam were so good they should attract talent scouts and get a TV rating.

Ballplayers, football stars and ironworkers are being crowded out of razor blade commercials by women. The current trend in commercials is to show gals shaving their legs, and somehow or other a man shaving his face appears to be the victim of unfair competition.

"The young woman told the police that despite the fact the prisoner had once broken her nose and twice slashed her calf with a knife, she still wanted to marry him"— News item. After all, a man like that makes life exciting.

FEW FOLKS ever suspect that "Once in a Lifetime" one of the greatest hits in show biz, was a flop on the road and that only the terrific drive, determination, and ambition fathered by "the goad of poverty" of Moss Hart got it to Gotham.

This takes nothing from George Kauffman who, as collaborator, had worked tirelessly for a year on the play. It didn't jell and Hart relates in book "Act One" the dramatic story of how Kauffman, after the Philly tryout, broke the news that there was no use bringing the play to New York, offering to turn over all his interests in it.

Hart worked frenziedly for 48 hours, went to George with a completely new twist which won him another three months rewriting and a couple of million dollars.

Strikes are so numerous in the U.S. that the current problem is whether north and southbound strikers have the right of way over east and westbound.

Barry Wood, producer of a TV series, is really Louis Rapppaport, a New Haven boy. He's an old Webster School boy, as is this writer.

We were saddened to see the old schoolhouse torn down the other day. It had a principal, "Jack" Lewis, who gave 10 to 20 whacks on the hand of schoolboy baddies in the days when teacher could be boss without arousing community protest. He was a great influence for good and would have thought modern day treatment of juvenile toughies pretty soft.

On Your Mark, Get Set, Go

Auto Union Leaders 'Think Big'

By Victor Riesel

There must be a streak of Madison Ave. gray flannel in Walter Reuther and his colleagues. Their auto union is just about one million dollars in the red. Yet at their convention in Atlantic City they called on "labor" to raise a 150-million-dollar strike fund. You can describe that best as Madison Ave. "thinking big" jargon. The giant auto union is in the red for many reasons, not the least of which is that many Americans are buying small foreign cars. So the auto union leadership thinks global.

Victor Riesel

Within the next week after their 17th constitutional convention, Reuther will launch a worldwide drive for higher auto workers' wages and lower working hours from Nigeria to India; from Manchester, England, to Malaya. Within a week after his convention Reuther will be meeting with auto and metal workers' leaders from 24 nations.

THESE MEN, ranging from chiefs of unions of watchmakers as well as steel and auto workers, are members of a virtually unknown global organization, the International Metalworkers Federation (IMF). Some 40 of them arrived in New York last Sunday.

They sat in on the auto union convention for a day and then went on to Washington to await Reuther. They are the executive committee of the IMF. On that committee are such American labor chiefs as Al J. Hayes, head of the AFL-CIO Machinists, and the United Steelworkers' David McDonald.

What is also virtually unknown in the United States is that Walter Reuther is the most active of the million - member metalworkers federation. He is president of its worldwide automotive division. Thus, in effect, he runs a global union which has recently settled disputes in auto plants in Nigeria, India, Denmark, Malaya and Belgium.

Typical of Reuther's drive to raise wages and working standards abroad, so American companies can stave off competition and maintain fuller employment, is his strategy in France. Competition from Paris is keen. The Renault plants along the Seine now are whipping out 3,000 cars a day. These are practically all for the American market.

FOR SOME YEARS now Reuther and his research people and one or two staff members maintained in Europe have worked in France through the IMF. They've fought for higher wages and American-type benefits. Finally there came "two remarkable breakthroughs" in the French auto industry.

Reuther's people, working with the IMF, won a General Motors kind of contract. This included the unheard of (in Europe) cost-of - living adjustments and productivity increases.

The second breakthrough came when the French metalworkers union (which in Europe has both auto and steelworkers) included in their contracts supplemental unemployment benefits such as those which have cost American auto companies over 100 million dollars. Also won were the U.S. brand of private industry pensions which, when coupled with French government's old age pensions, come to quite a bit.

Of course, this raises the living standards of French workers. As realists, we know, too, that the increased costs (to such companies as Renault) also close the gap between the price of American small cars and the French products.

WHAT REUTHER WANTS of the visiting labor leaders is an energetic drive in 25 nations to keep this process going.

As he and his colleagues put it in their report to their convention the other day:

"The problem is to devise a mechanism to encourage consistent advance for a world-wide standard from a situation today in which hours range from 60 or more a week in some Asian countries to 40 per week in the United States, while wages in the auto industry, for example . . . extend from 69 cents an hour in Cologne, Germany, to $2.44 an hour in the United States."

Reuther's proposal is to lower our tariff rates on car imports from countries where wages go up and up.

As I said, there's a lot of gray flannel in Walter Reuther's professional overalls.

Purely Personal

I keep wondering about the little man from the big bank who assured listeners no one had access to those TV quiz questions — no one but no one. Where is he now? Doesn't he have anything to tell Congress?

A word that gave me more fits in its time than Khrushchev was to give me later is back in the news — Passamaquoddy. For those born late, it's back in connection with the same project to harness the tide in the Bay of Fundy that was ridiculed to death in the first New Deal. Today, what then was called a "boondoggle" is what it always was in fact — a serious plan for a hydro-electric power project.

Scenery looks better when some of its summer adornments have been subtracted, as they are when fall comes. It's like removing some of the excess jewelry from an overdressed dowager who didn't know when to stop.

Sociologists are biting their knuckles about a fact in cities with large Chinese minorities. Juvenile delinquency is not a problem in these minorities, because every Chinese child is brought up to believe the worst thing he can do is to shame his parents.

It never fails to impress me that people who seem to be holding the world by the tail on a downhill drag are as unsure of themselves as all the rest of us who are still trying to get a tailhold.

Apropos of turning the first shovelful of earth, which President Eisenhower has been doing a lot of recently, why do the people who arrange this ceremony always use a symbolic shovel with a short handle? No bona fide shoveler would last an hour unless given a long - handled shovel on a job like that.

I will give odds that by 1975 the big thing in airplanes will be their ability to fly straight up and straight down and the model seen recently with "fans" on the wing tips will be the prototype.

What I want to see in a televised football game is the downfield strategy on pass plays. Perhaps there could be a split picture, with one camera on the passer and another camera showing the potential receivers trying to outmaneuver the defenders.

One of the toughest things about a modern strike is the absence of opposition. No one has a chance to feel like a martyr. There is no excitement on the picket line. No one argues. The strike goes on and on and on like all other forms of boredom until somebody cracks under the pressure of monotony.

One thing about the World Series this year has not been disputed. Everybody agrees the country would be happier if women did not shave their legs in the living room. It's one of those things that should be done in the bathroom, that's all.

My reaction to the news that Capt. Townsend will marry the chick who went on the expedition with him was surprise. I had been under the impression the two of them were married long ago.

I have become fond of a saying I invented and find myself using it on the slightest pretext, as when David J. McDonald complains that heads of the big steel companies are not being cooperative about settling the strike of United Steelworkers: He who sticks his finger in the eyes of others can expect them to try to stick their fingers in his eye some day.

It has taken me several years to learn that conversations which open with provocative queries like "What was the name of that fellow who recently tied the world's record for the hammer throw?" are fishing expeditions by people hoping to win money in a quiz and who would not give you a commission if they won.

One thing has been cleared up by James Roosevelt in those ghost-written articles about his famous father. FDR's family and friends all knew he was not long for this world when he ran for re-election in 1944. But he was the only winner the Democrats had in sight.

I cannot understand why people who complain about noisy airplanes do not demand that something be done to silence trucks. They sometimes make more noise than is necessary and some even have noise-making mufflers like the kind installed on hot-rods.

Communism First

By David Lawrence

Khrushchev Reveals Worldwide Intent Of Reds

Nikita Khrushchev has just made a confession of the international crime the Soviet government committed in Hungary. He probably did it unwittingly. For he never has completely understood the case that the free world has been making against Communism as an international conspiracy. The confession about Hungary is in an excerpt from the speech the Soviet Premier made last week in a Siberian city, as released in the last three days by the official news agency in Moscow:

David Lawrence

"When the forces of counter-revolution in Hungary attempted to overthrow the popular system, we considered it our international duty to satisfy the request of the revolutionary workers' and peasants' government of Hungary to help the Hungarian working class, to smash the counterrevolution."

To understand the full significance of this utterance, it is necessary to be sure what is meant by the term "counterrevolution" and "the popular system."

Hungary was put under Soviet occupation by force after the close of World War II. The elected government was ousted by the Communists in 1947, and a puppet government was established without affording any opportunity then or subsequently for free elections. But Mr. Khrushchev calls any government imposed by Moscow "the popular system" and regards it as a fulfillment of the Communist "revolutionary" purposes.

WHAT HAPPENED in the autumn of 1956 was that the people of Hungary, resentful of the tyrannical regime which had been ruling them and particularly of Soviet domination of their country, rebelled and set up a free government under Imre Nagy.

Several thousands of the Soviet troops stationed in Hungary at the time went over to the side of the people of Hungary and allowed Soviet tanks to be used to help resist the Communist forces.

But the Kremlin order to crush the rebellion prevailed. An overwhelming number of troops was sent into Hungary by Mr. Khrushchev, even while Moscow was "negotiating" with the Nagy government for withdrawal of all Soviet forces from Hungary — the major demand of the Hungarian people.

The Soviet government not only overthrew the government in Hungary but later ordered the arrest and execution of its premier, after he had been lured by a promise of safety from the Yugoslav embassy in Budapest, where he had been given asylum.

The United Nations authorized an inquiry but lacked the courage to threaten to expel the Soviet Union for failing to let U.N. investigators do a fact-finding job. The U.N. General Assembly did vote in September 1957 to condemn the Soviet Union for aggression.

AGAIN AND AGAIN since the tragic events in Hungary, the Soviet government has insisted that it was complying with principles of international law and was merely aiding an established government at its request.

This argument is the basis usually given by the Soviets as justification also for controlling all "captive" states, such as East Germany, Poland, Czechoslovakia, Bulgaria, Romania, Estonia, Latvia and Lithuania.

For Mr. Khrushchev to contest now that he considers it an "international duty" to come to the aid of ideological element sympathetic to Communism within any country is to assert anew the doctrine of international Communism which has been rightly described in many official documents by the United States and other free governments as "Communist imperialism."

Many misguided persons on this side of the Iron Curtain declare that Communism is just a belief, or a philosophy of politics.

The Supreme Court of the United States in its dicta has often accepted this concept as a basis for upholding acts by individuals who carry on subversive activities in this country and claim the protection of the "free speech" provisions of the Constitution, even though their acts may be instigated by a foreign government.

But the true distinction is that in embracing a political philosophy the subversives go farther and pursue virtually all the objectives of a foreign government which believes in infiltration or revolution by force of arms to gain its ends within other countries.

KHRUSHCHEV'S speech in Siberia is a surprise. But he may have been emboldened as a consequence of the visit he made to the United States and by the polls which show millions of Americans fell for his deceptive tactics.

What the Soviet premier wants more than anything else is acceptance of what is called the "status quo"—the idea that what has happened is final cannot be changed. In effect, he says, "Let bygones be bygones," as he overlooks injustices and calls for "peaceful coexistence" between the free system and the Communist system.

But in that speech in Siberia, the Soviet Premier drew attention to the fact the Communist bloc is growing in size and power and that all Communist countries help one another.

So the war goes on—the war to infiltrate Europe, the Middle East, Africa, Southeast Asia and Latin America. The pledge is given to come to the assistance of any Communist group which gets into power in any country.

This is the crux of the "cold war," which Mr. Khrushchev in his Siberian speech now says will go on with the Soviet objectives unchanged.

Return Of The Giants

By Eric Downton

EDMONTON, Alta. — Oil crews breaking through the bush in Alberta's Swan Hills have opened up territory that may be the last refuge of the giant plains grizzly, a bear thought to have become extinct almost a century ago.

Now called by hunters and naturalists "The Valley of Giants," the region is 8,000 square miles of wild, wooded terrain in mountains 150 miles northwest of Edmonton. Here are thought to be about 400 surviving plains grizzlies, measuring up to 10 feet from hind paw to nose tip and weighing half a ton.

Bigger than any bears except the Alaskan Kodiak, the plains grizzlies used to roam the western prairies, often lumbering among the vast buffalo herds. Early white explorers often mentioned such animals in their journals.

UNTIL RECENTLY it was generally assumed the plains grizzlies had been extinct for at least 70 years. Some zoologists, notably Albert Oeming of Alberta University, began to suspect there might be survivors when Indian hunters in northern Alberta turned in some phenomenally big bearskins.

The skull of one, shot by a 67-year-old Indian woman with a .22 rifle (almost a peashooter for such game) was registered by the Boone and Crockett Club of New York as being that of the biggest grizzly trophy ever registered anywhere.

Oeming says: "There is historical proof that herds of buffalo roamed as far north as the Peace River to escape the advance of man. I began to think that a handful of plains grizzlies came with them and bred up in the Swan Hills which, until lately, was one of the most inaccessible and primeval areas on the continent."

When seismic crews for oil companies opened up the Swan Hills, Oeming thought there was enough evidence to support his theory. To examine the bears without killing them off he devised a trap made from a 10-foot length of steel culvert, four feet in diameter and sealed at one end. Lured by a large chunk of meat, the bear would go into the trap closing a steel door behind it.

THEN OEMING would spray the angry grizzly with a pound and a half of liquid ether. (The amount required to put a grizzly to sleep was established after some hair-raising experiments.) This dosage would usually keep the bear unconscious about 15 minutes. During this time the bear would be examined, weighed, photographed, tagged and trucked back into the woods to go free.

Largely through Oeming's work, Canadian zoological authorities positively identified the bears as plains grizzlies, the breed having survived unknown for almost a hundred years longer than Canadian naturalists had thought.

As there are today more than 100 oil camps in the Swan Hills, preservation of the bears has been a problem. The giant animals took to raiding garbage dumps and were often shot by scared drillers. When zoologists explained matters to the oil companies they found the oilmen cooperative. Drillers were ordered not to shoot the bears unless it was absolutely necessary to do so to save human life.

The Alberta provincial government recently came to the aid of these amateur conservation efforts by banning bear hunting in the Swan Hills. Now there are hopes that the plains grizzly, long regarded as a vanished specimen, will be saved from extinction.

Some 1,850 Marines were ordered to mail guard duty on Oct. 20, 1926, by the President to put an end to daring and successful railway mail car robberies.

Flynn

(Continued from Page One)

She said he complained of a pain in the back and the doctor they were visiting took him into another room for relief. He lost consciousness while the doctor was out of the room for a moment, she said.

An inhalator crew worked over Flynn for 57 minutes and then he was taken by ambulance to a hospital, where he was pronounced dead on arrival.

Miss Aadland, who rode to the hospital in the ambulance, was placed under sedation.

"Women," said Flynn on his arrival here six days ago, "well, that speaks for itself. I like young women because they give you a feeling of youth."

He came to negotiate for the sale of his $100,000 yacht Zaca. Caldough reportedly was interested in the luxury vessel.

Flynn's dashing manner both on and off the screen raised the blood pressure of feminine admirers and male rivals. It also brought him headlines — headlines he said he wanted to avoid.

"The search for anonymity has been my true failure," he maintained.

The actor was married three times. He was separated from his current wife Patrice Wymore, who is appearing at a Washington, D.C., night club.

She burst into tears when told of Flynn's death and said, "Please, I'm sorry, I can't say anything."

She was to fly to Los Angeles today.

Flynn's life had a storybook beginning in the Australian island state of Tasmania and the plot thickened as the years passed.

His latest real-life drama took place in Cuba, where he claimed he was wounded while fighting with the forces of Fidel Castro. His wound was played down by the rebels as was the extent of his activities. Flynn, however, played it to the hilt and wrote a series of articles about his Cuban adventures.

He always played to his public. He said he had made seven million dollars as a swashbuckling actor and he enjoyed spending it.

"I have a great talent for spending," he said. "The public has always expected me to be a playboy, and a decent chap never lets his public down."

His spending sprees took him to cafes and night clubs where the evening often ended with Flynn swinging his fists instead of a sword. He got into a Havana cafe free-for-all in 1937, was slapped by Canadian millionaire Duncan McMartin in a Nassau bar in 1954 and traded blows with such people as director John Huston, columnist Jimmy Fidler, Dan Topping and others.

Flynn was born June 29, 1909, in Hobart, Tasmania, where his father and mother were cruising on a marine biological study. His father, Prof. Theodore Thomson Flynn of Queen's College, Belfast, Ireland, was an authority on ocean life.

Flynn inherited his father's love of the sea and some of his most famous escapades reportedly took place aboard yachts.

Legends grew up of Flynn's early life. He ran away several times, was said to have been forcibly enlisted to put down a native revolt during a New Guinea gold rush and was remembered by some as an oyster pirate.

His first acting was done in the South Seas. He then went to London where he was seen by a Warner Brothers talent scout. Stardom came in "Captain Blood."

Among his other major movies were "Green Light," "Charge of the Light Brigade," "The Private Lives of Elizabeth and Essex," "Against All Flags," "Edge of Darkness," "Dive Bomber," "Objective Burma," "The Adventures of Don Juan," "The Sea Hawk," and "Gentleman Jim."

for a coffee break and heard Commissioner R. Max Gard tell the story behind the capture of the Confederate raider and his cavalrymen during the Civil War. Women of West Point Grange served the coffee.

The next stop was at the Ohio Wildlife Farm adjoining the Bethel Presbyterian Church. Howard Hothern, manager, explained the operation, which covers 1,400 acres for wildlife propagation, hunting and fishing. Then the group moved on to Highlandtown, stopping along the way to observe the site of the proposed 189-acre Highlandtown lake.

The last stop was made at the G. Walter Boyd Farm near Highlandtown on Route 39 to observe use of diversions and contour strips. Then the group moved on to the Bethel Church for the dinner and program.

Dougan spoke on "Agriculture in Our Society." Reuter was program chairman. The invocation was given by the Rev. Ernest E. Bacon, pastor of the Oak Ridge church.

Rowland Smith, a member of the Chamber delegation, led singing. Miss Judy Dornick presented a vocal selection, accompanied on the organ by Miss Mary Falconer. Miss Falconer also gave an organ solo.

Remarks were made by several of the Chamber group, including T. Fred Edwards, president; Harold Allison, chairman of the agriculture committee which helped arrange the tour, and E. R. Chandler, secretary - manager.

The rural representatives on the tour included about a dozen from the Southern Ruritan Club, whose participation was arranged by Boyd, and approximately 12 from the Calcutta area who were signed up by Mrs. Donald Wollam, a member of the County Agricultural Council's committee.

The first exchange of visits between rural and city dwellers was held in 1957, when businessmen toured district farms and were entertained at dinner. In 1958, the rural group visited East Liverpool business places and industrial plants and toured the telephone exchange.

disarmament debate before the U.N. Assembly's main Political Committee Wednesday.

Lodge noted that President Eisenhower has set in motion a concentrated disarmament review which will prepare the United States to participate "constructively" in the Geneva talks, slated to open after the Assembly ends.

Informants stressed that the United States will not present any arms plan before the General Assembly this session but will wait for the Geneva parley.

Lodge told the Assembly that some agency such as an international police force would be necessary to preserve peace after disarmament. He recommended that the U.N. Disarmament Commission try to decide what type of force would be needed and what principles of international law should govern it.

Hearing Slated Friday In Tank-Auto Collision

A Municipal Court hearing is scheduled Friday morning for Sgt. Donald K. Glass, 27, of Laurel Heights, Chester, an Army Reservist who was operating a tank that was involved in a collision with an auto Sept. 7 on the Campground Rd.

Sgt. Glass was cited by the State Highway Patrol on a charge of failure to yield at least half the highway to an auto driven by Mrs. Catherine Martin, a city "Meter Maid." The reservist was scheduled for a hearing in mid - September, but Judge George L. Brokaw continued the case to permit military authorities to furnish counsel for the defense.

ANNOUNCING THE NEW PLYMOUTH!

SOLID FOR '60! AT YOUR DEALER'S TOMORROW!

BUILT A NEW SOLID WAY TO GIVE YOU SOLID SATISFACTION

CHRYSLER ENGINEERING INTRODUCES A NEW KIND OF PLYMOUTH THAT MARKS A MAJOR BREAKTHROUGH IN CAR DESIGN. BODY AND FRAME UNIT ARE WELDED TOGETHER AS ONE, IN A NEW WAY. MANY PARTS THAT WORK LOOSE, RATTLE AND NEED FIXING IN ORDINARY CARS ARE ELIMINATED. THIS LOW-PRICE '60 PLYMOUTH IS STRONGER AND ROOMIER. IT USES LESS GAS THAN BEFORE. IT RIDES MORE COMFORTABLY, WE BELIEVE, THAN ANY OTHER CAR IN ITS CLASS.

PLYMOUTH'S NEW DURA-QUIET UNIBODY is a rigidly-formed structure, locked by approximately 5400 precise welds. It has no conventional body bolts, braces, struts or stays to give trouble. Road noises and road shocks are dampened. Even the sound of the wind is hushed.

We doubt if any car at any price has ever ridden or handled as well as this low-price automobile. Practical Stabilizer Design, incorporating rear stabilizer fins, adds stability on the road, cuts wind resistance, gives better gas mileage.

The new Solid Plymouth is a young, exciting car with ten full years of Chrysler Corporation development behind it. It will suit you particularly if you want a feeling of quality and a sense of craftsmanship. It is built carefully and precisely. We believe there is no other car in the low-price field that resembles it.

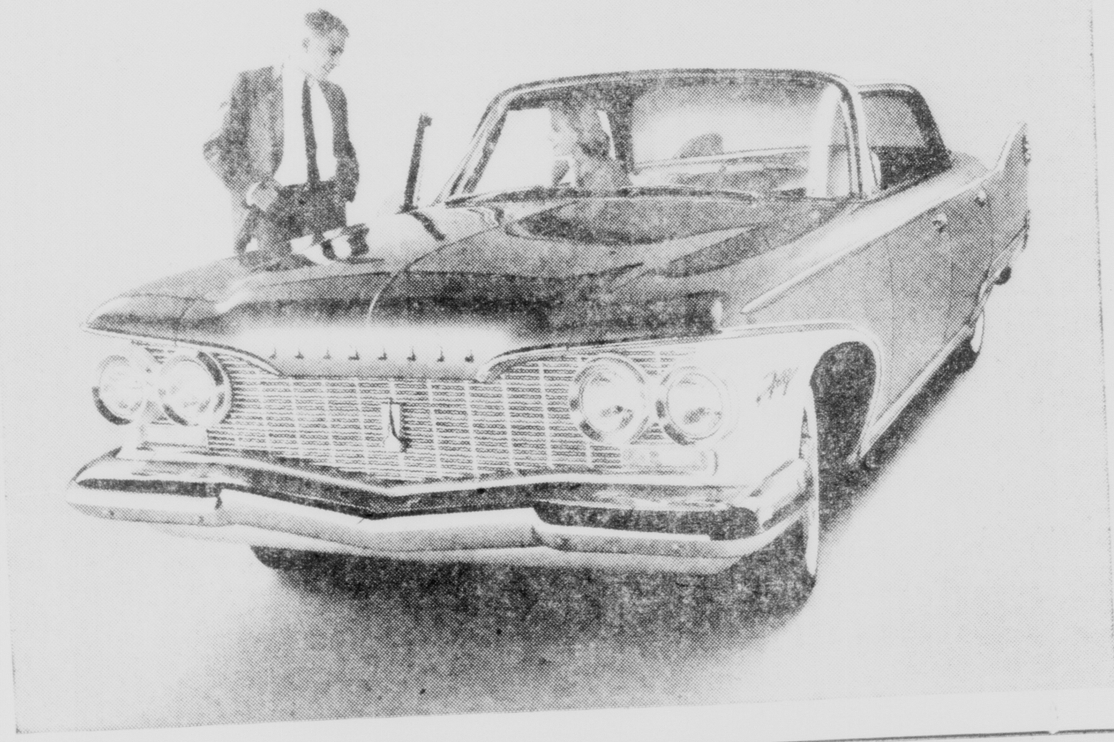

AN ALL-NEW INCLINED OVERHEAD VALVE "6" IS AMONG FIVE PLYMOUTH ENGINE OPTIONS FOR 1960. The first *inclined* engine ever in an American passenger car is the new Plymouth *30-D Economy Six*, most powerful "6" in America. Very economical, it is inclined to make servicing simpler, to lower the car's center of gravity and to make handling and riding easier. Also available to you for 1960: the limited-production *SonoRamic Commando V-8**.

SOLID PLYMOUTH 1960 OFFERS FEATURES NO OTHER CAR IN ITS CLASS CAN OFFER. *Custom-Positioned Front Seat. Safe-T-Matic doorlocking system*. RCA "45" Record Player**. And many more.

Flynn

(Continued from Page One)

She said he complained of a pain in the back and the doctor they were visiting took him into another room for relief. He lost consciousness while the doctor was out of the room for a moment, she said.

An inhalator crew worked over Flynn for 57 minutes and then he was taken by ambulance to a hospital, where he was pronounced dead on arrival.

Miss Aadland, who rode to the hospital in the ambulance, was placed under sedation.

"Women," said Flynn on his arrival here six days ago, "well, that speaks for itself. I like young women because they give you a feeling of youth."

He came to negotiate for the sale of his $100,000 yacht Zaca. Caldough reportedly was interested in the luxury vessel.

Flynn's dashing manner both on and off the screen raised the blood pressure of feminine admirers and male rivals. It also brought him headlines — headlines he said he wanted to avoid.

"The search for anonymity has been my true failure," he maintained.

The actor was married three times. He was separated from his current wife Patrice Wymore, who is appearing at a Washington, D.C., night club.

She burst into tears when told of Flynn's death and said, "Please, I'm sorry, I can't say anything."

She was to fly to Los Angeles today.

Flynn's life had a storybook beginning in the Australian island state of Tasmania and the plot thickened as the years passed.

His latest real-life drama took place in Cuba, where he claimed he was wounded while fighting with the forces of Fidel Castro. His wound was played down by the rebels as was the extent of his activities. Flynn, however, played it to the hilt and wrote a series of articles about his Cuban adventures.

He always played to his public. He said he had made seven million dollars as a swashbuckling actor and he enjoyed spending it.

"I have a great talent for spending," he said. "The public has always expected me to be a playboy, and a decent chap never lets his public down."

$1,312 In Park Building Fund

The Chester City Park building fund totals $1,312, Miss Sara Thomas, treasurer, reported at a meeting of the Park Commission Wednesday night.

Miss Thomas said $124 had been received from the quarterly solicitation this month. A $10 contribution has been received from the Chester Hi-Teen center.

It was reported fire insurance has been obtained on the community building from the Dale Allison Agency.

Plans were discussed for raising additional money to complete the community building. Harold Dickey, chairman, said it has not been determined just how much money will be required, but estimates will be obtained.

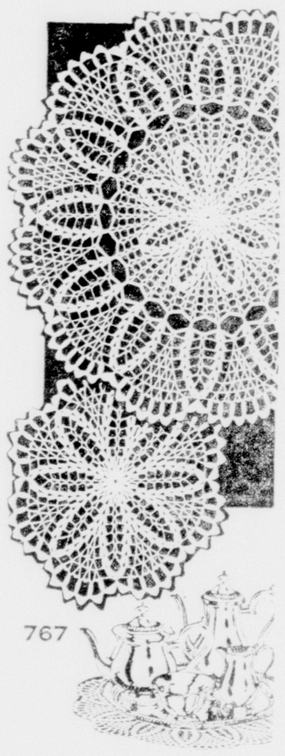

The next meeting will be Oct. 28.

Asks Flight Support

PARKERSBURG, W. Va. (AP) — Marietta, Ohio; Huntington, Wheeling and Parkersburg, W. Va., have been asked by Allegheny Airlines to support its application for daily no-change flights between Huntington and New York. The proposals, to be submitted to a Civil Aeronautics Board examiner in Wheeling Dec. 8, would establish twice daily round trips to New York, with stops at Wheeling, Marietta and Parkersburg.

Industry Church Group Celebrates

The 25th anniversary of the Women's Society of World Service was celebrated Tuesday night in the Industry Evangelical United Brethren Church.

Mrs. Gilbert Popp, president, conducted brief business.

The program, "The EUB Church's Mission in the Kentucky Highlands," was led by Mrs. Walton Eckstein. Mrs. David Gill gave an outline and talked on the two missions already set up in Kentucky—the Redbird and the Cumberland.

Mrs. Clarence Wendell sang a solo, "The Dogwood," accompanied by Mrs. Earl Hineman, pianist.

Closing benediction was given by Mrs. Eckstein.

Following the program, members gathered in the church basement for refreshments. The table was centered with a birthday cake. Mrs. William Staats was in charge of refreshments, assisted by Miss Doris Popp.

The next meeting will be in the home of Mrs. Eckstein and Mrs. Carl Nightingale will be co-hostess. Mrs. Erna Strohm will be leader.

Plans for a public card party Jan. 21 were made when the Industry Township Volunteer fire department auxiliary met Tuesday night in the fire hall.

Mrs. Otto Amthor, president, conducted business.

Mrs. John Jamozik won a prize. Mrs. Mike Rosepiler and Mrs. Charles Karolewski were co-hostesses.

The next meeting will be Nov. 10 in the fire hall. Mrs. Grace Doyle and Mrs. Michael Mehno will be co-hostesses.

45 Attend Meeting Of Hairdressers' Unit

Some 45 attended the meeting of the National Hairdressers and Cosmetologists Association Unit 15 Tuesday night at Tice's Restaurant.

Miss Grove Chidester, the Ohio representative for Helene Curtis, gave a demonstration of a new wave. Miss JoAnn Pershon was the model. Clarence Gilbert, president, conducted business.

Plans were made to attend the state hair-styling show Nov. 7-9 at Dayton.

The group voted in favor of educational meetings.

New members were invited so they may take part in the election slated for December.

E. K. MacDaniel, a representative of the Tallmadge Insurance Co., spoke on benefits.

The next meeting will be Nov. 10 at the restaurant.

$2,875 Suit Alleges Breach Of Agreement

LISBON — A suit for $2,875, alleging breach of agreement, was filed in Common Pleas Court Wednesday by David M. Patterson of Leetonia against Harold L. Lower of Columbiana.

Patterson claims in his petition that the defendant sold him his insurance agency in Lisbon on Jan. 6, 1956, for $1,750 and signed a contract that he wouldn't sell insurance in Columbiana County for five years. But on June 5, 1959, he established an insurance agency in Columbiana, Patterson charges. The contract calls for a payment of $25 per day for violation of the terms, the plaintiff claims.

Judge Tobin Praises Constables Of County

Twelve members of the Columbiana County Constables' Association met Tuesday evening at the LaCroft fire station and Roy Painter, president, presided.

Probate Judge Louis Tobin spoke on the constables in the county and praised them for their work.

Atty. Samuel Chertoff, a candidate for municipal judge, also spoke, along with Guy Digman, trustee of Liverpool Township.

The next meeting will be Tuesday, Nov. 10, with Butler Township constables as host.

12 Nations Open Antarctic Parley To Get Arms Pact

WASHINGTON (AP)—Representatives of 12 nations open an antarctic conference today to negotiate a treaty which would bar military armaments and installations from the vast frozen continent around the South Pole.

Secretary of State Christian A. Herter was scheduled to welcome the conference delegates.

President Eisenhower initiated the antarctic treaty project last year with a proposal that all countries directly interested in the south polar region should negotiate in accord to minimize international friction there, assure cooperation, scientific research and exploration, and dedicate the region to peaceful purposes.

The 12 nations now meeting here include the Soviet Union along with the United States, Britain and France.

American officials are optimistic about the prospects for the meeting's success. The chief reason is that Antarctica is so remote that it does not involve immediate security interests.

In addition to the Big Four, the countries participating are Argentina, Australia, Belgium, Chile, Japan, New Zealand, Norway and South Africa.

TB Tests Analyzed

LISBON — Dr. C. S. Palmer, county health commissioner, said tuberculosis tests given eighth graders at Knox Local School Tuesday were being read today and those given 64 seniors at Lisbon High School Wednesday will be read Friday. Physical examinations were given 61 first graders Tuesday at Knox Local and 9 vaccinations and 17 immunizations were administered.

He is the son of Mr. and Mrs. William J. Briggs, 513 Broadway, Wellsville.

Fr. John Corbett officiated at the double-ring ceremony. Mrs. Charles Kennedy played a nuptial recital and selections were sung by the Men's Choir directed by Leo Curto.

Given in marriage by her father, the bride wore a gown of silk organza with a cathedral train and fitted waist, with appliqued Alencon lace and pearls at the bodice and French hip. The gown had a Sabrina neckline with long sleeves.

A cathedral veil fell from a pearl-studded coronet and she carried a cascade bouquet of stephanotis encircling an orchid. She wore a white goldwatch, a gift of the bridegroom, with a sterling silver and pearl necklace and earrings. She wore a sixpence in her shoe and observed the wedding traditions.

Mrs. John Roman of Pittsburgh, a former schoolmate, was matron of honor. She wore a fall shade organza gown with a ull bouffant skirt, cowl neckline and cumberbund waistline. She wore a velvet headpiece, circle veil and white shortie gloves, and carried a cascade bouquet of white carnations and stephanotis.

Miss Marsha Dappollonia of Midland, cousin of the bride, was bridesmaid, wearing a gown similar to that of the matron of honor.

John Trainer of Wellsville was best man. Ushers were Sam Lombardozio and Michael Wilson of Wellsville and Don Dappollonia of Midland.

The mother of the bride wore a saphire blue crepe dress with round neckline and a satin trim white-feathered hat and autumn haze mink furs. The mother of the bridegroom wore a Dior-blue dress with soft cowl neckline, white sequin hat and gray fox furs.

A wedding brunch was held at the home of the bride's parents.

Some 150 attended a dinner at the Azure Room of Deramo's Restaurant, followed by a reception for 400 at the Azure Room. Aides were Mrs. Josephine Canditto, Mrs. Marie Malignani, Mrs. Jean Brozic, Mrs. Homer Wynn and Mrs. Rocco Dappollonia.

The bride, a graduate of Midland High School and the Mercy Hospital School of Nursing at Pittsburgh, is a nurse at City Hospital.

Her husband, a graduate of Wellsville High School, is employed at the Crucible Steel Co.

For traveling, the bride wore a green wool ensemble with a brief jacket trimmed with raccoon fur and a white orchid.

They are residing at Clark Ave., Wellsville, following a wedding trip in the Pocono Mountains and New York.

A rehearsal party was held by the bride's parents Oct. 2 and guests included Miss Josephine Perrotto of New Castle and Miss Kay Taylor of St. Louis, sister of the bridegroom.

Others attended from Pittsburgh, Steubenville, Weirton, Dayton, Salem and Townville, Pa.

1960 DE SOTO

The new De Soto makes no bones about being a big, luxurious car . . . one of the most powerful ever constructed. It has wall-to-wall carpeting, heavy custom-made upholstery, rich and simple chrome.

The 1960 De Soto is probably the most durable car you can own, as time will prove. Built with Chrysler Corporation's new unit construction, the body is one piece of welded steel—rugged and rattle-proof. Unit construction plus famous Torsion-Aire suspension gives the new De Soto America's steadiest, quietest and safest ride—bar none!

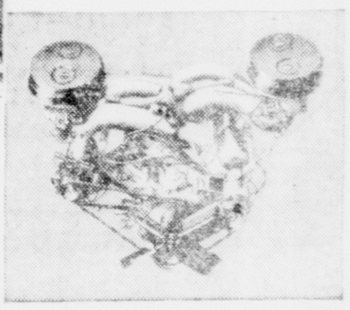

The 1960 De Soto offers every kind of luxury option: Thru-way Auto-pilot that lets you *dial* your speed, *automatic* swivel seats, Ultra-Fi phonograph, air conditioning—the *works!*

Best of all, your De Soto dealer has a wonderful price story to tell you. Why not ask him about it today!

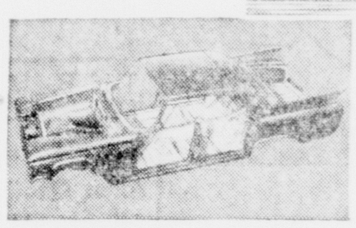

NEW AUTOMATIC SWIVEL SEATS . . . swing out to meet you when you open the doors, swing back as the doors are closed. They are just one of many new convenience features available on the 1960 De Soto.

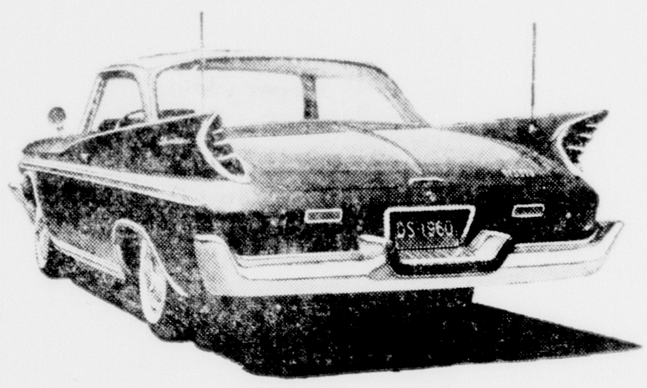

4 SENSATIONAL NEW ENGINES including the limited production Ram Charge engine with dual 4-barrel carburetors and tuned manifolds. Others are the new Turboflash, Adventurer and Adventurer Mark I.

UNIBODY . . . welds body and frame members into one piece of rugged steel. Makes possible more room on the inside, gives the safest, quietest ride you've ever had.

On Display Friday

De Soto Has 3 Models In 2 Series

The 1960 DeSoto has three models in each of two series, Central Service Co., 142 W. 7th St., announced as it readied a display Friday. The models include the Adventurer, above.

Complementing the styling is Unibody, single unit construction, which provides the strongest bodies in DeSoto history, especially tuned to road conditions for quiet riding.

An optional engine package heads a selection of four engines for 1960.

Interiors offer two unusual items: the automatic swivel seat continuing DeSoto's revolutionary seat trend, and an RCA Victor record player that plays standard 45-rpm records.

A four-door sedan, a four-door hardtop, and a two-door hardtop are available in each series. Sportsman is DeSoto's designation for its hardtops.

DeSoto offers 16 durable Lustre-bond colors for 1960. Twelve of these enamels are new, with eight metallic shades making their debut. A total of 120 two-tone combinations are available.

Four DeSoto engines are available in 1960, headlined by a new ram induction engine. The Ram Charge engine is combined with two four-barrel carburetors and is available as a high performance option on the Adventurer.

The 1960 DeSoto Fireflite carries a standard 361-cubic inch Turboflash V-8 engine. Standard power plant on the Adventurer is a 383 cubic inch V-8. Both the Turboflash and the Adventurer engines have two-barrel carburetion. A four-barrel, 383-cubic inch option, the Adventurer Mark I engine, is available in both series.

The horsepower line-up for 1960 is Turboflash 295, Adventurer 305, Adventurer Mark I 325, and Ram Charge 330.

The new DeSoto Unibody features a unit construction body assembly that produces a more rugged, roomy car.

Dipped and rinsed in a seven-stage process and sprayed six times, the DeSoto body is thoroughly rustproofed before the first of four coats of paint is applied.

A bigger windshield means a 10 per cent increase in the forward viewing area of DeSoto sedans, while the Adventurers have an increased rear window size for greater visibility.

Auto-pilot with its speed-sensing safety feature is available on 1960 DeSoto models. When set at any given speed, Auto-pilot will increase accelerator pressure against the driver's foot as the car reaches the speed setting. The black pressure alerts the driver to his rate of speed.

Other safety refinements include full-time Constant Control Power Steering, which has been made even more precise for greater driver control. New supports within the brake drums assure accurate alignment for each brake shoe, eliminate binding and excessive friction. The parking brake is set by foot so that more force can be applied to the brake.

Mental Examination Delays Trial Of 2 Men

LISBON — Trials of Jacob Junior Fife and Robert L. Dotson, indicted by the September Grand Jury on charges of sodomy, have been continued indefinitely so that the Salem defendants may have psychiatric examinations and treatment if necessary.

Common Pleas Judge Joel H. Sharp, hearing criminal cases this term, made the court entry on the request of the defendants' attorneys.

Pupils Occupy New Rooms

LISBON — Pupils at Lincoln School are moving into four new rooms and the two others in the six-room addition, are expected to be completed shortly, according to Principal David Borrow.

The new rooms are basically the same as the others in design and match the old building in architecture but they have fluorescent lighting.

The addition was started last spring with a completion date set for the beginning of the term but the project ran behind schedule. Voters passed a bond issue for the extra rooms last April but school officials say they will still need more room for the 1960-61 term.

A new science laboratory in the high school is expected to be completed and in operation by next week. The units for the laboratory arrived Tuesday and will be installed as soon as possible. The cost of the new science lab was $8,760 but the National Federal Defense Act of 1957 will give the local school half of this amount for the improvement.

3 Re-Appointed

COLUMBUS, Ohio (AP) — Gov. Michael V. DiSalle has reappointed to the State Board of Appeals Marion Walters, Columbus, a registered engineer; John P. Schooley, Columbus, a registered architect; and Charles Fogle Sr., Marietta, an attorney. Their terms expire October, 1963.

Held For Murder

SPRINGFIELD, Ohio (AP) — James A. Baker, 49, is being held here charged with second-degree murder in the fatal stabbing of his 16-year-old stepson. Police said Baker admitted stabbing Roger Lee Tuck Tuesday night during a quarrel over Baker's failure to set up a coal stove to heat the small apartment occupied by Roger, his mother, stepfather and seven Baker children.

De Soto Has 3 Models In 2 Series

The 1960 DeSoto has three models in each of two series, Central Service Co., 142 W. 7th St., announced as it readied a display Friday. The models include the Adventurer, above.

Complementing the styling is Unibody, single unit construction, which provides the strongest bodies in DeSoto history, especially tuned to road conditions for quiet riding.

An optional engine package, heads a selection of four engines for 1960.

Interiors offer two unusual items; the automatic swivel seat continuing DeSoto's revolutionary seat trend, and an RCA Victor record player that plays standard 45-rpm records.

A four-door sedan, a four-door hardtop, and a two-door hardtop are available in each series. Sportsman is DeSoto's designation for its hardtops.

DeSoto offers 16 durable Lustre-bond colors for 1960. Twelve of these enamels are new, with eight metallic shades making their debut. A total of 120 two-tone combinations are available.

Four DeSoto engines are available in 1960, headlined by a new ram induction engine. The Ram Charge engine is combined with two four-barrel carburetors and is available as a high performance option on the Adventurer.

The 1960 DeSoto Fireflite carries a standard 361-cubic inch Turboflash V-8 engine. Standard power plant on the Adventurer is a 383 cubic inch V-8. Both the Turboflash and the Adventurer engines have two-barrel carburetion. A four-barrel, 383-cubic inch option, the Adventurer Mark I engine, is available in both series.

Warfield Poses Big Problem For East Liverpool Friday

* * * Has Turned In 7 Long TD Gallops * * *

Coach Lou Venditti and his Potter squad will have something to sleep on tonight — the task of hemming in Warren's prancing Paul Warfield & Co. when East Liverpool invades Warren High School Stadium Friday night to lock horns with Ohio's No. 2 schoolboy team.

Listed at 165 pound, he has been timed in 9.7 for 100 yards and was the Ohio High School broad jump champion two years ago.

Warren poses as the strongest opponent for East Liverpool this season. The Panthers under Coach Gene Slaughter rank only behind Massillon.

With Warfield leading the charge, Warren has won four straight contests, enough to gain a second place ranking in the state grid poll.

Warren has rolled over Cleveland Collinwood, 34-13, Canton McKinley, 26-14, then played two close games with Steubenville, 13-8, and Lorain, 14-12.

It is either a long break away run for Warfield or no count. Termed by his coach as the "best high school back in the nation," Warfield has scored seven touchdowns so far this season.

Out of the seven TD's the shortest has been for 46 yards while the longest was 90 yards.

A breakdown shows this sensational athlete has scored on a 90-yard kickoff return, a 79-yard kickoff return and runs from scrimmage of 46, 67, 69, 72 and 84. This totals 507 yards in TD's alone.

Last season Warfield tallied 15 touchdowns when Warren finished 12th in the state with a 7-2-1 record.

In the tight 13-8 victory over Steubenville, Warfield was a one-man show as he went 69 and 72 yards for touchdowns.

In addition to his offensive abilities he is rated "just as tough on defense" by Venditti with his cat-like movements.

East Liverpool scouted the Steubenville and Lorain contests.

Coach Slaughter reported that Warren will be without the services of its regular fullback, Willy Jones. Bothered with a bruised thigh all season, he re-injured the leg in the first play from scrimmage last week in the Lorain game.

It is unlikely that Jones will see any action Friday night.

The other big threat in the Warren backfield is Marvin Howard, a 138-pound senior who runs from right halfback and has outstanding speed to give the Panthers a great one - two punch.

Doug Brown will be calling the plays from quarterback. Rated a good passer, the 170-pounder hasn't tossed much in the four previous games since the Panthers depended on their ground game led by Warfield.

Maurice Hicks, a 165-pound junior, will be replacing Jones at fullback for the Panthers. Venditti rates Hicks "a good second string fullback."

Again as in all games the Potter line will be outweighed. Warren's forward wall will average close to 180 pounds, defensively.

The starting offensive lineup shows Ferrance Greg (165) and Dick Laraway (168) at ends, Dennis Smith (188) and Ted Rodosovich (174) at tackles, Jerry Rogers (178) and Mike Romig (153) at guards, and big Bob Kent, a 204 pounder, at center.

Slaughter, like Venditti, will make only two changes on defense.

Eric Thompson will be inserted as a defensive back while Dan Auble (180) goes to end on defense. Mel Gegsay (160), a junior, does the punting for the Panthers while Rodosovich doubles up as the kickoff man.

Venditti reported that the spirit is running high among the upset-minded Potters.

East Liverpool will take a three-game winning streak to Warren Friday night with Girard, New Philadelphia and Bellaire St. John's the victims.

East Liverpool's only loss was a 14-12 setback to Youngstown South in the opener.

Since the opening game the Potters' offense has been rolling in high gear. In the last three games the Potters have scored 120 points while holding their opponents to 12.

The scores came on a 22-6 win at Girard, 60-0 over New Philly and 38-6 last week against St. John's.

Venditti reports his club sound with no serious injuries to key personel. Substitutes Gary Anderson and Dick Kelly are sidelined with injuries. Anderson was injured in a reserve game at Steubenville Monday and Kelly in practice on Tuesday.

The Potter mentor doesn't plan any changes. Unlike last season East Liverpool has managed to survive four contests without injuries — a big factor that may lead to an upset at Warren.

Bob Mackall, the team's leading scorer and all - state candidate, will be directing the team from his quarterback post.

Hard - running Dave Zelch will be ready for action from his left halfback spot with Henry Roach, who has come to life with outstanding showing in his last two games, will be at right half.

John Goodballet will be in his familiar fullback spot Friday night.

The only change Venditti would make in the starting lineup Friday would be inserting Bruce Reynolds, the Potters' 240-pounder, at tackle in place of Skip Hall.

Craig Burbick will be at the other tackle post, with Tim Archer and Ron Prince at ends. Jim Bise and Charlie Davidson return to the guard slots while Gary Montgomery will be the starting center.

Kickoff for the game Friday will be 8 p. m. (East Liverpool time).

'Sendoff' Pep Rally Set Friday Afternoon

A "send off" pep rally will be staged by East Liverpool High School students Friday at 3:45 p. m. in the Diamond. The high school band, cheerleaders and students will form at the corner of 4th and Market Sts. and march to the Diamond to give the team a sendoff to Warren.

Not one of the other four opponents which Warren defeated this season has been able to stop the speedy Warfield.

STRIKES, SPARES

By BOB DUFFY

First Triplicate Turned In . . .

The first triplicate of the fall bowling season was turned in last week by Steve Komara in the American League.

Steve recorded the oddity with three games of 160 and will receive a patch from the American Bowling Congress.

Another near triplicate was recorded in the Big 10 League when Mary Beidler fired 117 in her first two games, but came up with a 121 in the third.

After the pins had been toppled for three games, Gengarella's nipped Rivera*Club by only one point for total pins in the American League.

Gengarellas rolled games of 924, 950 and 952 for 2,826 while Rivera showed 968, 958 and 899 for a 2,825.

Rands and Tonti's, another Midland entry, are deadlocked for the lead with 29 points each. Both teams swept three straight games last week.

—:—

JACK BOYD, bowling for Hune's in the Lisbon Classic League, started with 7 straight strikes. He came up with a 5-10 split in the eighth frame, but converted it for his spare and struck out to wind up with a 278.

This is a new single game high for the Lisbon League. Hunes also rolled a 1,022 which ties the high single game and their 2,852 total for three games is second high.

The league is so tight that only 2 points separate the first 7 teams.

—:—

THE FEDERAL League is getting jammed up with only 5 points separating the top five teams. Rearks Stogies took all three games from Riverview Hotel to go on top with 25 points.

Carlings Black Label and Milliron appear certain to give Rearks a battle right down to the wire. They are holding second with 24 points each. Schon Hauling is in third with 21 and Johnson Pontiac with 20 points can't be considered out of the race.

Al Sayre's 225 and George Simballa's 222 were the best efforts by Federal League bowlers.

Owls Club Muffs Big Chance . . .

OWLS CLUB had a chance to pull away and practically sew up the first round in the National League Monday night, but lost ground instead.

Owls dropped two out of three and total pins to CIO No. 1212 while Rearks Cigars won three straight. Last week Owls Club enjoyed an 8 - point advantage over its nearest rivals, but Rearks has reduced the margin to four points.

High game of the night was rolled by Ike Shannon with a 223, while R. Talbott turned in a 220.

—:—

MELODY LANE, Village Green and Allen Shoes are waging a three-way fight for first place in the Cats And Dogs League.

Melody Lane, which has been on top for the past four weeks, took two out of three from CIO 1212 and remains two points in front of Village Green. Allen Shoes is four points back in third place with 18.

Roy Wolfe's 220 and McClellan's 212 were the top scores turned in Sunday.

Marty Fenton's 201 game was one of the top scores rolled in the Woodchoppers League. Holiday Lounge continues to set the pace with a 15 to 11½-point advantage over Gene's Bar.

—:—

THE SLUGS have taken the lead in the Review League with a three-point advantage over Leads. Fritz Eckert topped the Review bowlers with a 203.

—:—

TALKING about tight races, the Patterson Foundry League shows almost a three - way tie for first place. Nelsons hold a half - point advantage over Assembly and Rice Sohio, who are deadlocked for second place with 14 points each.

Engineering isn't far off the pace with 12 points.

—:—

THE PACKERS walked away with the first round championship in the T.S.&T. League. Finishing with 21 points, their nearest rival was Luray with 15.

R. McGurren's 209 performance was the top score turned in by any Chester Legion bowler in the league's last outing. The Pinbusters lead the Legion Loop with 12 points.

Split-To-Spare Department . . .

THE SPLITS to spares department listed Claude Ruckman with the 5-10, Baur 6-7-10 and Angelo Cellini 4-5 in the American League. The T.S.&T. League showed John Vervin with the 5-10, Bill Wedgewood 5-10, Al Woodyard 4-7-10 and Charlie Carpenter 5-7.

In the Review Loop Norman Mattern had the 5-10, Bill Purton 5-6, Tom Seevers 3-10 and Jimmy Wilson 2-7.

—:—

BETTY CROXALL collected the tough 6-7-10 split while Bob Duffy picked up the same situation in the Cats and Dogs League. Other conversions were turned in by Pat Black 5-7, Jones 5-7, Kate Kollmayer 5-6 and Wolfe 5-10.

Flowers had the 5-7, Maltrich 3-7-10, McCullough 5-7 and Williams 5-6-8 in the Woodchoppers League.

In the Koppers League, Don Triller claimed the 5-10 twice, Eru Karaba 3-10 and 6-10, Lucy Mason 5-10, George Cawthon 2-3-5-7 and Ann Cawthon 3-10.

The City Ten Pin listed D. Smith with the 5-7, Henry Cain 5-10, Mike Gerace 5-7 and Kib Kiernan 6-7-10.

Chuck Masters collected the 5-7 and Marv Feldman the 3-10 in the Boys High School League.

LOOKING at the Cosmo League, Jane MCLain converted the 5-7 and 5-8-10, Dorothy Robinson 5-6-10, Helen Tipton 3-7, Lois Sprouse 4-7-10, Helen Butler 5-6-10, Mary Allison 3-6-7, Minnie Prezzia 3-7-10, Jennie Mackall 5-6-10 and Linda Smith 5-7 twice.

In the Federal League, Ike Shannon picked up the 5-7, and 2-6-7-10, Walt Zagula 6-7-10, Buck Wilson 5-7, Don Walker 5-7-9, Kayle Reark 5-10, Bob Johnston 5-7, Glenn Wilson 4-7-10 and 5-7, Dale Schon 5-7-8, Andy Giambroni 4-5, Don Thompson 5-10, Claude Ruckman 5-7 and Bob Reed 5-10.

The Big 10 League showed Sue Arnold with the 5-8-10, Katie Mikaels 2-7, Henry Cain 5-10, Ann Creaturo 5-7 twice and 5-7-8, Joe Presutti 5-7, Karen Smith 6-7-10, Moe Creaturo 5-7, Pat Black 5-7-8, Ed Cain 5-7, Rose Comparetta 5-6 and Lorin Howard 4-5.

New Defense Gives Cards Fits In NFL

CLEVELAND (AP)—A defensive maneuver dreamed up by Coach Paul Brown of the Cleveland Browns is giving the Chicago Cardinals fits.

Brown figured the Cardinals, who display their fancy double wing offense here Sunday, could be stopped if the defense concentrated on upsetting plays to the outside—the rollout passes and option plays.

Using this strategy, Cleveland walloped the Cards 34-7 in the mud at Chicago two weeks ago.

Bill McPeak, a Washington Redskins defensive coach, said his team spotted the maneuver in films of the game.

"It stopped the Cardinals the week before so we adopted it."

The result: Washington 23, Cards 14.

There is one drawback to Brown's plan. It leaves the center thinly defended, opening the way for smashes up the middle. Yardage through the middle is conceded, while the defense protects against the long gainer.

Said Chicago Coach Frank Ivy: "The Redskins' defense were set up so that our fullback was wide open. For that reason fullback Mal Hammack did most of the rushing."

However, the Cards weren't able to capitalize on the inside plays.

Ivy was asked why he didn't use halfback John Crow, rated one of Chicago's top backs.

"Crow was called on twice but he didn't get the ball either time. Something went wrong with the handoffs.

Parsons Scores Lone Touchdown In Westgate Win

Halfback Bob Parsons raced 50 yards in the third quarter for the only touchdown of the contest to give Westgate a 6-0 victory over Toronto Wednesday at Patterson Field.

The remainder of the game was played between the two 20-yard lines as Westgate was outstanding on defense.

Leading the defensive play were linebacker Scotty Musuraca and ends Bruce McCoy and Kenny Thomas.

The victory was the second in three games for Coach Bill Erlitz's team.

Westgate returns to action next Thursday at East Palestine.

McComas Sparks East Junior High

East Junior High, sparked by the running of Frank McComas, won an eighth grade contest with Wellsville, 28-6, Wednesday at Wellsville.

McComas scored on two long runs of 50 yards while Bob Mercer and Mike Spencer tallied one each. Mercer went 35 yards for his touchdown while Spencer scooted 12 yards.

Jones Nips Stu Miller For Earned Run Crown

NEW YORK (AP)—Sam (Toothpick) Jones of the San Francisco Giants, with a hefty assist from the rival Los Angeles Dodgers, edged defending champion Stu Miller to win the 1959 earned run title.

Jones, a 21-game winner, allowed 85 earned runs in 271 innings for an earned run average of 2.82. Miller, Giants' slowball specialist, gave up 53 earned runs in 168 innings for a 2.84 mark, statistics compiled by the Associated Press revealed today.

The best earned run average by far among the regular hurlers was posted by Roger Craig of Los Angeles. He finished with 2.06. The veteran right-hander, however, pitched only 152 2-3 innings, 1 1-3 innings short of the minimum requirement.

The Dodgers' sensational comeback and ultimate 12-inning victory in the final playoff game Sept. 29 cost Craig the ERA crown. If the Dodgers had lost, Craig would have worked the third game and almost certainly picked up the 1 1-3 innings he needed. As it turned out, he started the first game of the World Series against the Chicago White Sox, pitching 2 1-3 innings which do not count in the regular season's records.

Jones, who did a workhorse job as a starter and reliever, pitched four shutouts, including a seven-inning no-hitter against St. Louis in his final start, Sept. 26. Miller had an 8-7 record.

Bob Buhl, Milwaukee, finished third. A 15-game winner, Buhl allowed 63 earned runs in 198 innings for a 2.86 ERA. Warren Spahn of the Braves was fourth with 2.96.

Vern Law, Pittsburgh, and Gene Conley, Philadelphia, tied for fifth at 3.00.

THE WORLD SERIES are now but memories and newspaper clippings to Ted Kluszewski, now home to rest out the winter and "get in a little swimming to keep my back in shape." The batting star of the Chicago White Sox in their bid for the Series win is anxious to get back in the baseball swing with the Chisox as an active player, he said today. (UPI Telephoto)

Lucas Is Named Top Back; Allen, Toncic Mentioned

UNIVERSITY PARK, Pa. (AP)—Surprise: quarterback Richie Lucas of Penn State, the Associated Press Back of the Week, loves to play defense.

And, says Coach Rip Engle, Lucas proved it Saturday in undefeated Penn State's 17-11 victory over Army.

"You usually think of a quarterback as the glamor boy in a football game," Engle said. "But in the Army game, Lucas proved that he can go in there and do the tough, dirty job the same as any other football player."

It was both Lucas' defensive and offensive play against Army that earned him the Back of the Week honors Wednesday. He twice intercepted important passes, made several key tackles, scored two touchdowns, passed for 97 yards and ran for 60.

"He's the modern version of the triple-threat back who can do it all," Engle said.

"It's too bad there isn't an AP Team of the Week because all of us worked extremely hard for the win over Army," Lucas said.

Other outstanding backs in the AP poll this week were Georgia Tech's Taz Anderson; Purdue's Bernie Allen; Louisiana State's Billy Cannon; North Carolina's Jack Cummings; Pitt's Ivan Toncic; Northwestern's Bob Eickhoff; Syracuse's Art Baker; Texas' Rene Ramirez and Jim Saston; Oklahoma's Prentice Gautt, Air Force's Rich Mayo and Illinois' Mel Meyers.

Ed Katalinas, who directs scouts for the Detroit Tigers, has been signed to a contract through 1961.

Two Players On Same Team Top Receivers

NEW YORK (AP) — For the first time within memory two players from the same team rank 1-2 among the nation's college pass receivers.

The No. 1 man is Stanford's Chris Burford, who caught two aerials against Washington last week to boost his total to 19 for four games, with a total yardage of 257. His teammate, Ben Robinson, has caught 16 good for 244 yards.

Army's lonely end, Bill Carpenter, also has caught 16, but has carried them four yards less than Robinson.

NCAA Service Bureau statistics released today show Pervis Atkins of New Mexico State heading with five interceptions, Grover Garvin of California tops in punt returns, and Joe Allen of Hardin-Simmons No. 1 in kickoff returns.

Bake Turner of Texas Tech has picked up the most yardage in pass receiving. He has caught 13 tosses good for 293 yards. Mike Ditka of Pittsburgh and Paul Maguire of Citadel each has caught four touchdown passes to lead in that department.

Garvin has returned six punts for a total of 128 yards, and Allen 10 kickoffs for 229 yards.

Indians Made Offer But Leo Rejected It

DETROIT (AP) — Leo Durocher says he was offered a three-year contract to manage the Cleveland Indians but turned it down the day before the American League club rehired Joe Gordon.

"There were a couple of other things I wanted in the contract," Durocher told newsmen Wednesday night in explaining why he turned down an offer made by Cleveland General Manager Frank Lane and Vice President Nate Dolin.

"They met with me in Pittsburgh about two weeks before the end of the season," Durocher said. "They made me a solid, three-year offer."

Durocher, who was here to address an organization of Chrysler Corp. executives, said the contract was all drawn up but after studying it he said he telephoned Lane and turned down the post.

Durocher said he recently talked to Milwaukee Braves owner Lou Perini, "but we didn't directly discuss the manager's job."

Branch Rickey, head of the proposed third major league, also has made an offer, said Durocher, who formerly managed the New York Giants and the Brooklyn Dodgers.

Hayes Says OSU Grid Practice 'Just Fair'

COLUMBUS, Ohio (AP)—Ohio State football coach Woody Hayes, who termed Tuesday's workout "just so-so," called Wednesday's grind "fair . . . just fair."

Hayes, however, said he was encouraged about the improvement of Tom Matte, the junior quarterback from Cleveland. "He had his best day yet," Hayes announced.

It was learned that Lynn Strait, elevated to the Buckeye first team just this week, will be out of Saturday's Purdue game. The Logan sophomore halfback injured his knee Tuesday and doctors reported that he will be sidelined until sometime next week.

Chamberlain, Russell Stage Battle On Court

MINNEAPOLIS (AP) — For three quarters Wednesday night Wilt Chamberlain made proud Bill Russell look like an ordinary basketball player.

But the veteran Boston Celtics' star felt the sting of the young giant's challenge and in the fourth period herded the pro basketball champs to a 103-98 exhibition victory over Philadelphia at the Minneapolis Armory.

Russell pumped in eight points in the final minutes for the Celtics' victory margin, although Chamberlain outscored him 26-16 and played him even off the backboards. It was the first pro clash between Chamberlain, the 7-2 former Globe Trotter, and the 6-10 Celtic defensive wizard.

A thin crowd of 2,500 turned out for the Minneapolis Lakers' promotional extravaganza featuring Wilt, Russell, heavyweight champ Ingemar Johansson and Minneapolis' Elgin Baylor.

The Lakers grossed approximately $40,000, half of their announced goal of $80,000.

The Lakers drew some extra consolation in their 100-94 victory over Detroit in the opener of the National Basketball Assn. double header. Baylor, in uniform for the first time since he starred in the 1959 playoffs, hit 16 points to help break a Laker losing streak.

Johansson appeared between games, answering questions put to him in English by sportswriter Halsey Hall and in Swedish by Minneapolis Mayor P. Kenneth Peterson.

"My right hand still moves pretty fast. I don't think Floyd Patterson can change his style very much to stop it," Johansson replied to a question from an admirer.

He isn't certain, he said, whether he can knock out Patterson again. A few hours earlier, though he repeated his faith in his right hand punch: "It moves so fast it's hard for the opponent to know where it is going."

Gunsel Named Acting Head Of Pro Loop

PHILADELPHIA (AP) — The National Football League today finds itself somewhat in the same position major league baseball was in after the death of Judge Kenesaw Mountain Landis.

As baseball commissioner, Landis guided baseball from the depths of the Black Sox scandal in 1919 to the integrity and respectability it enjoys today. Bert Bell lifted the National Football League to a similar status.

NFL clubowners are faced with the task of finding a man as commissioner to carry on the work of Bell. Wednesday, after Bell was laid to rest, the owners appointed an acting commissioner.

They named 50-year-old Austin Gunsel, a former FBI agent brought into the league seven years ago as chief investigating officer and later as treasurer. He will rule the roost until the league's annual meeting in January. Then, a permanent commissioner will be chosen.

The acting commissioner is about as different from his predecessor as the T formation from the single wing. He's a quiet, confident person who likes organization. Bell, garrulous and swaggering, carried his office in his pocket and the league business in his head.

Whether Gunsel holds the post after next January apparently depends on the job he does in the interim.

Rangers Drop Four Straight

By The Associated Press

The hockey fans are not yelping for Phil Watson's scalp. Neither is Watson snapping at the players even though his New York Rangers have dropped their first four National Hockey League games.

It is all so different from a year ago, when the Rangers tied three and lost one of their first four games, proceeded to make a strong bid for a playoff berth only to lose out when they dropped six of their last seven games.

Then the Ranger coach tore his players apart for their mistakes, publicly and privately.

But this is a different Watson. He refused to berate his players even after they had blown a three-goal lead and lost to the Boston Bruins 4-3 in their home opener Wednesday night.

"They know when they make a mistake," said Watson, almost quietly. "They are pros."

The victory, achieved with Vic Stasiuk tallying the deciding goal with 30 seconds remaining, gave the Bruins undisputed possession of first place. Midway of the final period rookie Dick Meissner had tied it.

Leo Labine and Bronco Horvath got the Bruins under way late in the second period after Bill Gadsby and John Hanna had tallied for the Rangers in the first and Dean Prentice had made it 3-0 at 9:45 of the second period.

Ex-Braves Pilot Signs As Sports Commentator

HOLLYWOOD (AP) — Fred Haney, who resigned as the Milwaukee Braves' manager, has signed to do the commentary on a baseball show starting Oct. 24 on Los Angeles station KCOP-TV.

The program, "Major League Baseball Presents," will appear each Saturday at 9 p.m. Haney, once a baseball announcer here, will do a video-taped commentary on outstanding major league games played this year.

Darrtown, Ohio, Claims To Be Baseball Capital

DARRTOWN, Ohio (AP) — This may come as a shock to Los Angeles but on the main street in this town with its population of 200 there are two big signs which say "Darrtown, Baseball Capital of the World."

In his home a block away, Walter Alston responded in his usual reticent manner when told members of the Baseball Writers Assn. of America had voted him National League Manager of the Year in an Associated Press poll.

Alston is manager of the Los Angeles Dodgers, who last week won the baseball World Series.

"It sure is nice," said Alston with his shy smile, "but it was a team effort."

The Dodgers last year finished seventh in the National League and then, this year, they came on to tie Milwaukee for the National League pennant, win it in a two-game playoff and then beat the Chicago White Sox in a six-game World Series.

"The fellows worked hard for it," said Alston. "They started the first day of spring training, or even before, because all of them reported in good shape."

What about next year?

"We don't intend to stand pat," he said, "but I can't name any particular spot we want to improve."

Willie Shoemaker Named To Jockeys Hall Of Fame

BALTIMORE (AP)—Willie Shoemaker, tops among current riders, and two old timers, Mack Garner and Carroll Shilling, have been elected to the jockeys hall of fame at Pimlico race track.

The selections announced today were made by a nation wide vote of sports writers and broadcasters for the 6th year.

The 28 - year - old Shoemaker wasn't eligible until this year because of a stipulation a jockey couldn't be considered until 10 years after his first winner. Shoemaker's first was April 29, 1949 and now is approaching 4,000. He is on his way to a record 5th championship.

Garner rode 1,346 winners and died of a heart attack a few hours after riding his last at River Downs, Ohio, at the age of 36.

Shilling was one of the most reckless and controversial riders of the sport. He was indefinitely suspended in 1912 after fighting with another jockey at the old Havre de Grace, Md., track and argued unsuccessfully for eight years for reinstatement.

Before his ban, Shilling was the leading money winner of 1910 and the year of his suspension rode Worth to victory in the Kentucky Derby.

Injunction Stops Purchase Of Land By Cincinnati

CINCINNATI (AP)—The city of Cincinnati, and Hamilton County, were under injunction today not to proceed with the purchase of land for parking space near Crosley Field, home of Cincinnati's Reds.

Common Pleas Judge Simon L. Leis granted Wednesday temporary injunctions sought in two suits filed—one each against the city and county—by the Superior Laundry & Towel Supply Co.

Both actions branded illegal the steps taken by the defendants to acquire parking lot property.

Prior to start of the property acquisition, the city of Cincinnati and the Cincinnati Baseball Club, owners of the Reds, signed a contract guaranteeing that the Reds would remain in the city for a five-year period contingent upon provision for adequate parking space.

Skunk Living Under Ohio U. Grid Stadium

ATHENS, Ohio (AP) — Ohio University's Bobcats are undefeated but that odor around the football stadium isn't the sweet smell of success—there is a skunk living under the stands.

Athletic Director Carroll Widdoes said he discovered the intruder a few days ago and now is planning to set out traps.

Fortunately the Bobcats play on the road until Oct. 31 when they meet Western Michigan in OU homecoming.

"I don't want any more stripes on the field than those worn by the officials," Widdoes said. "Otherwise this could be one of the darndest homecoming games we have ever had."

Redlegs Sign Pitcher

CINCINNATI (AP)—The Cincinnati Reds today announced purchase of Duane Richards, 22, right-hand pitcher from Savannah of the South Atlantic League. Richards, a native of Palestine, Ohio, won 16 and lost 10 for Savannah, hurling 205 innings, fanning 145, walking only 54.

Ohio Hunters Warned On Duck Season Start

COLUMBUS, Ohio (AP) — The Division of Wildlife cautions duck hunters that the season doesn't open until 1 p.m. (EDT) Friday, Oct. 16. Hours during the rest of the season, which closes Nov. 24, are from sunrise to sunset.

Season opening for the Pymatuning Reservoir area, Ashtabula County, has been set by the U.S. Fish and Wildlife Service at noon (EST) Oct. 24. This applies to all land one-quarter mile in any direction from the reservoir. Shooting hours for the rest of the season, closing Dec. 12, are from sunrise to sunset.

The Wildlife Division said hunters in areas where Eastern Daylight Time is used (generally northeastern Ohio) must hunt by Eastern Standard Time.

Menendez, McGaha Get Toronto Baseball Posts

TORONTO (AP) —Danny Menendez, 41, was named general manager of the Toronto International League baseball club today and Mel McGaha, 33, the new field manager.

The appointments were announced by Jack Kent Cooke, the club owner.

Menendez, who was general manager for the Memphis Chicks in the Southern Assn. since 1956, succeeds Rudy Schaeffer who resigned after serving as Leaf general manager since 1955. McGaha, who managed Mobile in the Southern Assn. last summer, succeeds Dixie Walker who resigned when Toronto finished in the IL cellar.

Don Newcombe led the Cincinnati pitching staff in complete games last season with 17. He won 13 games, lost 8.

Williams KO's Lee In Tenth

HOUSTON, Tex. (AP) —Cleveland Williams demanded another rematch with Sonny Liston today after knocking out Curley Lee, a rugged newcomer from California.

Williams had to wait until 58 seconds of the 10th and final round of Wednesday night's nationally televised heavyweight fight before landing a left uppercut that knocked Lee unconscious for two minutes.

Lee, substituting for the injured Liston, had won two of the last three rounds with a strong comeback after taking a pair of eight-count knockdowns in the fifth.

Williams also held a 30-pound weight advantage but entered the final round with only a narrow lead over the battling Lee. Lee weighed 181¼, Williams 211.

It was the 38th knockout in 49 fights for Williams. One of his three losses was a third round knockout by Liston last April in Miami Beach. Liston, ranked No. 3, had to withdraw from Wednesday night's match when he injured a hand in a Philadelphia workout two weeks ago.

Williams used a string of left hooks to set up the Los Angeles Negro for the fifth round knockdowns.

The defeat was the second in 16 fights for Lee.

Cincy U. Loaded With Cage Talent

CINCINNATI (AP) — Today marks the official start of basketball practice for the 1959-60 collegiate season hereabouts.

Coaches at Cincinnati, Xavier and Miami have summoned their talent—with principal interest directed to U. C., and its Oscar Robertson.

Robertson, All-America in his first two years as a varsity player, will be starting his senior season with the Bearcats. He has topped the nation's scorers for two years.

Coach George Smith isn't hurting for talent, so he has invited only 13 players to begin practice.

At Xavier, Coach Jim McCafferty has invited 16. The Musketeers won the National Invitational Tourney in New York in 1958 but folded so badly it didn't get an invitation to defend its title last season.

At Oxford, Miami University will have 15 players in its practice lineup. The Redskins regularly win the Mid-American Conference title and appear in the NCAA meet. Eight of Coach Dick Shrider's varsity candidates are lettermen. But lack of height may be a problem.

Jerry Krecicki of Trenton, N. J. and Mal Woodstein of Irvington, N. J., are members of the North Carolina State freshman eleven. Krecicki is a quarterback and Woodstein a fullback.

Irish Riddled By Injuries But Win Two

By JACK CLARY
Associated Press Sports Writer

New names and faces, a new attack and the smart look of professional coaching will mark the Notre Dame football team that plays Michigan State in the national television game Saturday.

Coach Joe Kuharich, who left the pro Washington Redskins last winter to take over for deposed Coach Terry Brennan at Notre Dame, has turned out a team that has won two of its first three games despite a plague of injuries and inexperience.

In fact, Kuharich has seven sophomores on the first team for Saturday's game, including three in the backfield, and a line that has a sophomore left side.

Veteran quarterback George Izo, who played his first 1959 game against California last week, is the only veteran in the backfield. He is supported by sophs George Sefcic and Angelo Daberio as halfbacks, and Gerry Gray at fullback.

Daberio and Gray have seen a good deal of action, with the latter taking over for the injured Jim Crotty against California and winding up as the team's leading ground-gainer with 55 yards in 12 tries, and one touchdown.

Crotty and guard Myron Pottios, both hurt last week, will see no action, with the latter finished for the year with torn knee ligaments.

All of these annoyances have left Kuharich, a former Notre Dame football player, undaunted. He has installed a T-formation pro-type offense, where both of his ends are split 15 to 20 yards, with a halfback in the slot between an end and tackle.

Duke moved soph fullback John Tinnell to center to take over for Butch Allie, out for the year with a bum knee. Indiana lost tackle Joe Moore for the season with a dislocated elbow. Jackie Sledge was named starting quarterback for Texas Christian's game with Texas A&M Saturday.

4 Ohioans Among 12 Hurt As Buses Crash

BOSTON (AP)—Four Columbus, Ohio, residents were among 12 persons injured Wednesday when three buses crashed on the 130-foot high Mystic River Bridge near here.

The Ohioans injured were Mr. and Mrs. J. W. Reppel and Mr. and Mrs. Cecil Emmons. They were among a group of highway officials from many states on a Massachusetts highway tour.

The crash occurred, police said, when two buses stopped and a third had brake failure and crashed into the rear of one bus which then bounced into the rear of the one in front of it.

None of the injured was hurt seriously.

Leahy Signs Pro Pact

LOS ANGELES (AP)—Former Notre Dame Coach Frank Leahy has signed a contract as general manager of the Los Angeles club in the American Football League. Barron Hilton, president of the club, did not disclose salary or length of contract in making the announcement Wednesday.

Providence Win Streak Snapped At 4 By Bears

By The Associated Press

Just when it appeared the Providence Reds were intent on going through the American Hockey League season undefeated, they lost to Hershey's Bear's Wednesday night in a sudden-death overtime, 3-2. They had won four straight.

Willie Marshall, veteran winger, shot the winning goal after 25 seconds of the overtime.

William O. (Bill) DeWitt, new president of the Detroit Tigers, began his baseball career in 1916 as an office boy with the St. Louis Browns.

Suspect May Be Freed In Ex-City Girl's Death

A preliminary hearing is scheduled Monday in Chehalis, Wash., for a 29-year-old man accused of the Sept. 24 rape-slaying of 9-year-old Sherry Marie Edgell, daughter of Sgt. Robert (Jim) Edgell, 214 East Ln., and his former wife, Mrs. Geraldine Edgell Murray of Centralia, Wash.

Sheriff O. R. Amondson of Lewis County, Wash., identified the suspect as Kenneth Shilling of Centralia, and said he had been dating the mother of the slain child, a former city resident. But the sheriff said he feels there is insufficient evidence to prosecute Shilling on a murder charge and the suspect will be released unless more data is uncovered before the preliminary hearing.

Sherry Marie's mutilated body was found near the Chehalis Airport Sept. 25, the day after she disappeared in her night clothing from her home in the adjoining city of Centralia.

Since his arrest in a Long Beach (Calif.) bar on Sept. 29, Shilling has denied any connection with the crime.

Merger Announced

CINCINNATI (AP)—Merger of the Girdler Construction Co. of Louisville, Ky., and the Chemical & Industrial Corp. of Cincinnati was announced here. Girdler is a division of the Chemetron Corp., and Chemetron will have a minority interest in the merged company. Both firms are engaged in design, engineering and construction of processing plants for the chemical, petroleum, natural gas and other industries.

Youth Center Events Listed

A schedule of events for October and November for the Midland Hi-Spot Youth Center has been announced by Mrs. William Spisak, director.

She reported, following an Adult Advisory Board meeting last week, that the center will continue with the same program as in the last three years.

The center will be open Friday following the home game with Rochester, and Saturday, Oct. 24. The center will be open two nights, Oct. 30 for the regular after-game session and Oct. 31 for the fourth annual Jack O'Lantern Ball.

Stan Scott of television station WSTV, Channel 9 of Steubenville, will provide the entertainment program for the ball. The center will be open each Friday during November, including Nov. 13, the night of the Senior Prom.

The fourth annual Thanksgiving dance will be held Nov. 27 with the Gay Tunes of Greensburg, providing music.

Mrs. Spisak said that recording equipment has been overhauled and stereo additions made. Lowering of the ceiling has been halted temporarily but is hoped to be ready in time for the Jack O'Lantern Ball, she said.

The new student committee will meet with the board Oct. 28 at 7 p. m. and then begin decorating the center.

Queen Crowning Will Be Held At Game At Midland

Midland High School will crown its homecoming queen Friday evening during halftime ceremonies of the Midland-Rochester football game at the Midland stadium.

Miss Jeanie Brown, senior, daughter of Mrs. William Murphy of Meadowbrook Estates and George Brown of Ohio View, Industry Township, will be crowned by Atty. Ralph Scalera, presicent of the school's Alumni Association.

Game time will be 8:15. A parade before the game will include Board of Education members, borough officials, association officers, the school band and floats made by classes and clubs. Float prizes will be awarded.

Paraders will march around the track at halftime. Miss Kathryn Kovacic and Judith Kukich will be senior attendants, and Miss Bernice Daniels and Miss Astera Pacella will be junior and sophomore attendants, respectively.

Miss Carolyn Simmons, cheerleader sponsor, and Mrs. Mary Gengarella are in charge of plans for the evening.

Principal William A. Walters said that a representative of the Hospital Council of Western Pennsylvania will talk to Senior girls Friday at 8:30 a. m. in the auditorium.

He said a paid assembly will be held Wednesday at 8:40 a. m. and will include a musical novelty and community singing program.

Sermon Of Adventists To Be 'Elijah's Mantle'

"Elijah's Mantle" will be the subject of Pastor Elmon H. Roy at the 11:30 a. m. worship Saturday at the Seventh-day Adventist Church.

Mrs. Josephine Bowers and Mrs. Victoria Fisher will sing.

Sabbath School is at 10 a. m. Prayer service will be held Wednesday night at 7:30. The study topic will be "Daniel Dreams of Empires."

The Dorcas Society will meet Monday at 7:30 p. m. The Junior Choir will practice Saturday at 2 p. m.

Wins Execution Stay

CINCINNATI (AP)—Frank Poindexter, 45, of Hamilton, under sentence to die in Ohio's electric chair Nov. 15 for the robbery-slaying of Mrs. Marie Hires in Hamilton, won a stay of execution Wednesday from the First District Ohio Court of Appeals. The stay is "until further order of this court."

Humorous Skit Is Presented As Program At BPW Meeting

A screen of heirloom fans formed the background for a humorous presentation following the dinner meeting of the Business & Professional Women's Club Wednesday night at Travelers Hotel. Some 65 attended.

Dr. and Mrs. Herschel Rubin discovered the script for "My Old Sweetheart" in a magazine and assembled the costumes from a bloomer - type gym suit to widow's weeds and a bridal outfit. He portrayed a gentleman reminiscing on his last night of bachelorhood as his many "girlfriends" parade before him.

The cast included Elsa Ann Rubin, as the maid, and Mrs. Donna Barlow, Mrs. Helen Moore, Miss Joan Witt, Mrs. Donna Allison, Mrs. Nessie Davis, Mrs. Madalyn Mack, Miss Grace Woodward, Miss Dorothy Farrance, Mrs. Ruth Russell and Miss Shirley Hartt. Mrs. Louise Lawton gave piano selections.

Miss Jean Woodward, chairman, and the health and safety committee were in charge of the program and dinner arrangements.

Mrs. Nessie Dunlop, president, conducted business with reports given by Miss Helen Auld, secretary, and Mrs. Alice Bair, treasurer.

Miss Grace Woodward reported on the public card party held during National Business Women's Week. The sum of $134 was specified for the student nurse scholarship and $100 for the BPW Science Fair.

Renewal of the City Hospital levy was endorsed.

The safe driving award program was reviewed by Miss Jean Woodward.

Mrs. Geraldine Bricker reported on the sale of BPW items and is taking orders for the club pin.

Mrs. Dorothy Evans, public affairs chairman, spoke on the recent tour of the atomic power plant at Shippingport and reminded members of their voting responsibilities.

The names of the children of the Child Health Clinic were distributed by Mrs. Mae Hartt, chairman, in preparation for the annual Christmas party Dec. 13 at the Elks Club.

A large delegation is expected to attend the district meeting Sunday at Robinson's Restaurant in Coshocton.

The president reminded the club of participating in the state essay contest on "What Does Federation Mean to Me?" and spoke of the 14th anniversary of United Nations to be celebrated the week of Oct. 24.

The group repeated the "Club Collect" for the invocation.

A Halloween theme predominated in the table arrangement with small pumpkins and lighted orange tapers.

The Executive Board will meet Oct. 27 at a place to be announced.

The public affairs committee will present a program on "Home Preparedness for Civil Defense" at the next dinner meeting Nov. 11 at the hotel.

Salem Man Named Census Crew Leader

Wade A. Loop of Salem has been appointed crew leader for the 1959 agriculture census in part of Columbiana County, starting Nov. 11, the U.S. Department of Commerce's Bureau of Census announced.

Loop is slated to receive five days of training by the bureau's staff at Ravenna on procedures for recruiting census takers, canvassing methods, preparation of reports and supervision.

Loop will recruit census takers after his return from Ravenna.

El Paso, Tex. (pop. 132,000) is the largest city on the United States-Mexican border.

LaCroft Group Hears Nurse

Tests used in discovering ailments that could lead to possible rheumatic heart conditions and a general discussion of the health program of city schools were presented by Mrs. Earl Gruber of Hanoverton, a registered nurse, when the LaCroft Parent - Teacher Association met Tuesday night in the school.

Mrs. Gruber, a representative of the Youngstown Area Heart Association for Columbiana County, also screened two movies — "The Valiant Heart" and "The Congenital Heart."

About 120 attended the meeting and were urged to support renewal of the City Hospital levy at the Nov. 3 general election.

Paul Smith, president, presided for brief business. Mrs. Bernice Deem is chairman of the membership drive. Seventy - nine new members were enrolled.

Refreshments were served by the second grade homeroom mothers, headed by Mrs. Thomas Phillips.

The next meeting is Nov. 10 in the school.

Suspect May Be Freed In Ex-City Girl's Death

A preliminary hearing is scheduled Monday in Chehalis, Wash., for a 29-year-old man accused of the Sept. 24 rape-slaying of 9-year-old Sherry Marie Edgell, daughter of Sgt. Robert (Jim) Edgell, 214 East Ln., and his former wife, Mrs. Geraldine Edgell Murray of Centralia, Wash.

Sheriff O. R. Amondson of Lewis County, Wash., identified the suspect as Kenneth Shilling of Centralia, and said he had been dating the mother of the slain child, a former city resident. But the sheriff said he feels there is insufficient evidence to prosecute Shilling on a murder charge and the suspect will be released unless more data is uncovered before the preliminary hearing.

Sherry Marie's mutilated body was found near the Chehalis Airport Sept. 25, the day after she disappeared in her night clothing from her home in the adjoining city of Centralia.

Since his arrest in a Long Beach (Calif.) bar on Sept. 29, Shilling has denied any connection with the crime.

Merger Announced

CINCINNATI (AP)—Merger of the Girdler Construction Co. of Louisville, Ky., and the Chemical & Industrial Corp. of Cincinnati was announced here. Girdler is a division of the Chemetron Corp., and Chemetron will have a minority interest in the merged company. Both firms are engaged in design, engineering and construction of processing plants for the chemical, petroleum, natural gas and other industries.

Youth Center Events Listed

A schedule of events for October and November for the Midland Hi-Spot Youth Center has been announced by Mrs. William Spisak, director.

She reported, following an Adult Advisory Board meeting last week, that the center will continue with the same program as in the last three years.

The center will be open Friday following the home game with Rochester, and Saturday, Oct. 24. The center will be open two nights, Oct. 30 for the regular after-game session and Oct. 31 for the fourth annual Jack O'Lantern Ball.

Stan Scott of television station WSTV, Channel 9 of Steubenville, will provide the entertainment program for the ball. The center will be open each Friday during November, including Nov. 13, the night of the Senior Prom.

The fourth annual Thanksgiving dance will be held Nov. 27 with the Gay Tunes of Greensburg, providing music.

Mrs. Spisak said that recording equipment has been overhauled and stereo additions made. Lowering of the ceiling has been halted temporarily but is hoped to be ready in time for the Jack O'Lantern Ball, she said.

The new student committee will meet with the board Oct. 28 at 7 p. m. and then begin decorating the center.

Queen Crowning Will Be Held At Game At Midland

Midland High School will crown its homecoming queen Friday evening during halftime ceremonies of the Midland-Rochester football game at the Midland stadium.

Miss Jeanie Brown, senior, daughter of Mrs. William Murphy of Meadowbrook Estates and George Brown of Ohio View, Industry Township, will be crowned by Atty. Ralph Scalera, presicent of the school's Alumni Association.

Game time will be 8:15. A parade before the game will include Board of Education members, borough officials, association officers, the school band and floats made by classes and clubs. Float prizes will be awarded.

Paraders will march around the track at halftime. Miss Kathryn Kovacic and Judith Kukich will be senior attendants, and Miss Bernice Daniels and Miss Astera Pacella will be junior and sophomore attendants, respectively.

Miss Carolyn Simmons, cheerleader sponsor, and Mrs. Mary Gengarella are in charge of plans for the evening.

Principal William A. Walters said that a representative of the Hospital Council of Western Pennsylvania will talk to Senior girls Friday at 8:30 a. m. in the auditorium.

He said a paid assembly will be held Wednesday at 8:40 a. m. and will include a musical novelty and community singing program.

Sermon Of Adventists To Be 'Elijah's Mantle'

"Elijah's Mantle" will be the subject of Pastor Elmon H. Roy at the 11:30 a. m. worship Saturday at the Seventh-day Adventist Church.

Mrs. Josephine Bowers and Mrs. Victoria Fisher will sing.

Sabbath School is at 10 a. m. Prayer service will be held Wednesday night at 7:30. The study topic will be "Daniel Dreams of Empires."

The Dorcas Society will meet Monday at 7:30 p. m. The Junior Choir will practice Saturday at 2 p. m.

Wins Execution Stay

CINCINNATI (AP)—Frank Poindexter, 45, of Hamilton, under sentence to die in Ohio's electric chair Nov. 15 for the robbery-slaying of Mrs. Marie Hires in Hamilton, won a stay of execution Wednesday from the First District Ohio Court of Appeals. The stay is "until further order of this court."

Humorous Skit Is Presented As Program At BPW Meeting

A screen of heirloom fans formed the background for a humorous presentation following the dinner meeting of the Business & Professional Women's Club Wednesday night at Travelers Hotel. Some 65 attended.

Dr. and Mrs. Herschel Rubin discovered the script for "My Old Sweetheart" in a magazine and assembled the costumes from a bloomer - type gym suit to widow's weeds and a bridal outfit. He portrayed a gentleman reminiscing on his last night of bachelorhood as his many "girlfriends" parade before him.

The cast included Elsa Ann Rubin, as the maid, and Mrs. Donna Barlow, Mrs. Helen Moore, Miss Joan Witt, Mrs. Donna Allison, Mrs. Nessie Davis, Mrs. Madalyn Mack, Miss Grace Woodward, Miss Dorothy Farrance, Mrs. Ruth Russell and Miss Shirley Hartt. Mrs. Louise Lawton gave piano selections.

Miss Jean Woodward, chairman, and the health and safety committee were in charge of the program and dinner arrangements.

Mrs. Nessie Dunlop, president, conducted business with reports given by Miss Helen Auld, secretary, and Mrs. Alice Bair, treasurer.

Miss Grace Woodward reported on the public card party held during National Business Women's Week. The sum of $134 was specified for the student nurse scholarship and $100 for the BPW Science Fair.

Renewal of the City Hospital levy was endorsed.

The safe driving award program was reviewed by Miss Jean Woodward.

Mrs. Geraldine Bricker reported on the sale of BPW items and is taking orders for the club pin.

Mrs. Dorothy Evans, public affairs chairman, spoke on the recent tour of the atomic power plant at Shippingport and reminded members of their voting responsibilities.

The names of the children of the Child Health Clinic were distributed by Mrs. Mae Hartt, chairman, in preparation for the annual Christmas party Dec. 13 at the Elks Club.

A large delegation is expected to attend the district meeting Sunday at Robinson's Restaurant in Coshocton.

The president reminded the club of participating in the state essay contest on "What Does Federation Mean to Me?" and spoke of the 14th anniversary of United Nations to be celebrated the week of Oct. 24.

The group repeated the "Club Collect" for the invocation.

A Halloween theme predominated in the table arrangement with small pumpkins and lighted orange tapers.

The Executive Board will meet Oct. 27 at a place to be announced.

The public affairs committee will present a program on "Home Preparedness for Civil Defense" at the next dinner meeting Nov. 11 at the hotel.

Salem Man Named Census Crew Leader

Wade A. Loop of Salem has been appointed crew leader for the 1959 agriculture census in part of Columbiana County, starting Nov. 11, the U.S. Department of Commerce's Bureau of Census announced.

Loop is slated to receive five days of training by the bureau's staff at Ravenna on procedures for recruiting census takers, canvassing methods, preparation of reports and supervision.

Loop will recruit census takers after his return from Ravenna.

El Paso, Tex. (pop. 132,000) is the largest city on the United States-Mexican border.

LaCroft Group Hears Nurse

Tests used in discovering ailments that could lead to possible rheumatic heart conditions and a general discussion of the health program of city schools were presented by Mrs. Earl Gruber of Hanoverton, a registered nurse, when the LaCroft Parent - Teacher Association met Tuesday night in the school.

Mrs. Gruber, a representative of the Youngstown Area Heart Association for Columbiana County, also screened two movies — "The Valiant Heart" and "The Congenital Heart."

About 120 attended the meeting and were urged to support renewal of the City Hospital levy at the Nov. 3 general election.

Paul Smith, president, presided for brief business. Mrs. Bernice Deem is chairman of the membership drive. Seventy - nine new members were enrolled.

Refreshments were served by the second grade homeroom mothers, headed by Mrs. Thomas Phillips.

The next meeting is Nov. 10 in the school, according to Mrs. Harry Apple, reporter.

PTA Meeting

About 100 attended a meeting of the Lincoln Parent - Teacher Association Tuesday night when Mrs. Gladys Patterson, former Lincoln teacher, described teaching in Germany and her recent travels in Europe.

The group endorsed renewal of the City Hospital levy on the Nov. 3 election ballot and authorized the purchase of a new duplicating machine, which was at the school on trial.

Mrs. B. E. Warner reported on the recent City PTA Federation meeting, and Milton Watson, prinpal, introduced the teaching staff.

The attendance banner was won by room 4-B taught by Miss Lozela Birch. Charles Haugh, president, was in charge. Devotions were led by the Rev. James Gardner of the Orchard Grove Community Methodist Church.

Refreshments were served by the teachers. The next meeting will be Nov. 10.

Queen To Be Crowned At Cumberland Game

NEW CUMBERLAND — One of three senior girls will be crowned queen at the annual homecoming football game Oct. 30 against Mt. Pleasant at the New Cumberland High School gridiron.

Candidates chosen by the student body include Barbara Merkich, Midge Chenoweth and Jean Suidak, while Joyce Gibson and Anita Porter, juniors, will serve as the queen's court.

The queen will be chosen by the football team from among the senior candidates. Her identity will remain a secret until halftime ceremonies.

The 1959 queen will be crowned by Beverly Greathouse, last year's queen. The Student Council is in charge of arrangements.

School Assembly

Members of the Key Club of East Liverpool High School outlined club projects and qualifications for membership during a student assembly Wednesday afternoon in Memorial Auditorium.

The 30-member club, sponsored by the city's Kiwanis Club, is headed by Craig Burbick, president.

Burbick outlined a history of the club which became a branch of Key Club International in 1955. Individual members were introduced.

Major projects were discussed by Bob Stewart, secretary. The Key Club sponsors two teen - age dances each week at the American Legion Post 4 home, parks autos and sells popcorn at Potter football games and attends churches and City Council meetings in a group, Stewart said.

The club also sponsors a Sweetheart Dance each year.

Gary Hicks, vice president, discussed club trips to district workshops and conventions. Bruce Jones, treasurer, told of international conventions held in Washington, Chicago and Toronto, Canada. Slides were screened of several trips.

Irwin Vorndran,, an honorary member, was among those introduced. Merrill Hall, high school athletic director, is club advisor.

PTA Receives Term Budget

An operating budget for the McKinley Parent - Teacher Association was submitted by William Gaston, vice president, and approved at a meeting Tuesday night.

Robert Patterson, president, introduced the new officers, including Mrs. Richard Forzano, secretary, appointed last month to succeed Mrs. John Finley, who resigned when her son was transferred to another school.

Miss Helen Allison, principal, introduced the teaching staff. Everson Hall spoke on the proposed renewal of a three - fourth-mill City Hospital levy.

Mrs. Hazel Neiser led devotions. Group singing was led by Mrs. Ann Stewart Kerr, accompanied by Wilbur Wolfe. The first grade won the attendance banner.

Programs for the year were listed by Mrs. James Johnston, program chairman. Committee reports were filed. Lunch was served by Mrs. Kenneth Berg, Mrs. Paul Betteridge and Mrs. Edward Millward.

The next meeting will be Nov. 10.

Mother Kept Her Daughter Locked In Room 2 Years

PHOENIX, Ariz. (AP) — A 7-year-old Phoenix girl, suffering from severe malnutrition, was in the county hospital today after spending the last two years locked in a small bedroom.

Bonnie Marie Shelton weighed only 28 pounds. Doctors said she should weigh about 55 pounds.

Her mother, Ruth Shelton, 31, arrested on a tip from a relative, was charged with contributing to the delinquency of a minor. Officers indicated additional charges may be filed later.

Juvenile officer Philip Morgan said Mrs. Shelton admitted keeping her daughter locked in the bedroom. He quoted her as saying the child suffered from a glandular disorder "and would eat all the food in the house if I let her."

4 Men Are Killed As Explosives Blow Up

LOS ALAMOS, N.M. (AP) — Four men unloading high explosive scraps at a dump near this atomic laboratory city were killed Wednesday when the material exploded.

Officials said no radioactive material was involved. High explosives, like TNT, are used in many experiments in developing atomic weapons.

The dead were Leopoldo Pacheco, 50; Sevedeo Lujan, 53; Jose C. Cordova, 37; and Escolastico Martinez, 47.

Officials said the four nontechnical employes were on a routine job—that scraps of such explosives were burned in the pit almost every day.

Seek Strike Accord

PITTSBURGH (AP) — The American Flint Glass Workers Union and the Glass Container Manufacturers Institute sought today to reach agreement in the month-old strike of some 2,000 moldmakers against 81 plants. Federal Mediator William Rose resumed negotiating sessions Wednesday after more than a week's recess. A union spokesman said both sides are holding to their original positions.

Barber For 40 Years To Run For President

NORFOLK, Va. (AP)—Graham Gray of Norfolk, a barber for nigh onto 40 years, plans to take some time off next year—to run for president of the United States.

Gray, 53, announced his candidacy Wednesday from behind Chair No. 2 at a downtown barber shop. He said he expects to qualify for the ballot as the candidate of the "Independent party," and that he will "accept John L. Lewis for vice president."

He says he's for "free government enterprise and constitutional rights."

YOUR NEWSPAPER "FREEDOM'S TEXTBOOK"

Freedom of choice is basic to the American way of life. Freedom of the press is basic to freedom of choice. Without the accurate information on which to choose wisely and well, freedom of choice is meaningless. Your newspaper dedicates itself to keeping your channels of information forever open . . . keeping you up-to-date on everything on the local, county, state, national and international scene that affects your interests. It is, in fact, "freedom's textbook," providing the sinews of public debate and discussion on which democracy thrives.

Water Bill Set For Midland Fire Hydrants

Midland Council was notified Wednesday evening by the Midland Municipal Authority that water line and fire hydrant improvements will result in an increase of $100.17 quarterly for fire protection, effective with the period ending Nov. 30.

About three-fourths of a mile of line was added, raising the total to 12.45 miles, and 3 hydrants were installed with 71 now in use.

The cost of the water facilities for fire protection is $516 per mile and $8 for each hydrant, a total of $6,992.20 that the borough will pay, an overall increase of $400.68 a year. Quarterly billing will be $1,748.05 instead of $1,647.88.

Council opened bids for a snow plow and a leaf loader and they were turned over to Atty. Robert Masters, solicitor, R. E. Steebner, borough engineer, and the street committee for study with authorization to act after a motion by Councilman Raymond Presutti.

John W. Patterson Co. of Carnegie bid a net price of $1,046 for a snow plow with two equipment options, and the Brinker Supply Co. of Pittsburgh $2,695 for a leaf loader and $672.50 for a snow plow to be mounted on the truck.

The Highway Equipment Co. of Pittsburgh entered a bid of $900 for a snow plow with options, and the Allied Equipment Corp. of Carnegie listed $3,170 for a leaf loader and $845 for a snow plow with options.

Council approved a request of American Legion Post 481 for $500 to aid the post in the Beaver County Veterans' Day observance to be held in Midland Nov. 11. The sum had been included in the borough budget.

Rudolph Presutti, tax collector, asked Council by letter to approve exonerations amounting to $173.20 on the 1958 tax duplicate, due to persons who could not pay taxes. Council voted to turn his request over to the finance committee for study.

Councilman Harvey Sponcer reported that firemen have received a letter of thanks from Police Chief E. J. Hineman for their work during the recent tanker truck fire in Industry.

Germusa reported that the second polio clinic Sept. 24 was a success with over 1,300 persons receiving shots. He congratulated persons who helped with the clinic.

Reading of reports was dispensed with on a motion by Sponcer. Bills were ordered paid on a motion by Councilman Lester Trainer Jr.

160 Attend Dinner Of Westgate PTA

Some 400 attended a coverdish dinner at Westgate Elementary School Tuesday night marking the kickoff of the annual Parent-Teacher Association membership drive.

William Persohn, vice president, gave the invocation. The welcoming committee included Ralph Widger, president, Ray Rigdon, John Garron and James Lowe.

Tom Dixon, principal, was toastmaster. He introduced guests including Supt. Ralph Betts and Assistant Supt. Paul Blair. Dixon presented Judson English charter president, a past president's pin. The meal was served by Mrs. Ray Rigdon and her homeroom mothers. A musical program was presented by the Barber Curls Quartet, including Miss JoAnn Vannoy, Mrs. Jan Dietz, Mrs. Jean Gibbs and Mrs. Ginger Hile.

The PTA will meet Tuesday, Nov. 10, in the school's general purpose room.

2 New Engines Added

24 Models In 1960 Plymouth Line

The 1960 Plymouth offers 24 models, according to city dealers, Central Service at 7th and Jackson Sts., and Mackall Motors, Inc., 1503 Pennsylvania Ave., who said there are three lines of cars—Savoy, Belvedere and Fury, and three lines of station wagons — Deluxe, Custom and Sport Suburban, illustrated above. They go on display Friday.

Two completely new engines are added in the 1960 line of six, each of different design and developed to ulfill a specific requirement.

The 30-D Economy Six with 145 horsepower is introduced for drivers who require maximum fuel savings.

The SonoRamic Commando V-8 with 330 horsepower, which brings ram induction to passenger cars for the first time, is primarily a "performance" engine with outstanding acceleration characteristics.

The Plymouth body and frame are integrated into a single unified structure, affording many advantages in both strength and space efficiency. The cars are easier to get into and out of, and seat heights have been raised for more comfort.

Although heavier gauge metal provides natural resistance to corrosion, body protective costings are applied in seven separate dipping operations, supplemented by six intensive spray applications.

Plymouth offers four transmissions, two manual transmissions and a Power-Flite and a Torque-Flite push button transmission.

Other features which Plymouth is introducing in 1960 includes Safe-T-Matic Door Lock system, which automatically locks all doors when the engine is started.

Another safety feature is the four - light emergency warning flasher system. Whenever a car must be stopped on a highway, a flick of an instrument panel switch starts all front and rear turn indicator signals flashing continuously and simultaneously as a warning to other drivers.

Swivel seats, introduced by Plymouth last year, are automatic for 1960. Optional on Fury and Sport Suburban models, the new seat swings out to meet you when the door is opened, and it swings back out of the way when the door is closed.

For Fury and Sport Suburban models, the driver's "Command" seat is standard equipment. It has a higher back for greater driver comfort and individual bolster treatment.

For the first time, Plymouth offers as optional equipment a six-way power seat.

There is improved heating and air - conditioning, two new radios, and a new RCA Victor record player, capable of playing 14 standard 45 RPM records for up to two hours of continuous entertainment.

Utility Guests To See Ohio Valley From Air

The Ohio River Valley from East Liverpool to Parkersburg is to be viewed by investment specialists from 28 leading financial firms in the East and Canada as part of a plane tour to be sponsored next Wednesday by the Monongahela Power Co. and sister companies of the West Penn Electric System. The one-day flight will start from the Greater Pittsburgh Airport and cover much of Central Pennsylvania, Maryland and West Virginia. The final leg of the journey will be from the tip of the Northern Panhandle down the river to Parkersburg.

Driving In Cities Contributes To Lung Cancer, Doctor Says

CINCINNATI (AP) — Cigarette smoking is "the primary excitant of lung cancer," Dr. Clarence A. Mills reported today—but he added that in the course of a survey he found the "lung cancer hazard to smokers to be more than doubled" if they drive more than 1,000 miles a month in urban traffic."

Dr. Mills, professor of experimental medicine at the University of Cincinnati's College of Medicine, has just completed bringing up to date a 1955 survey of lung cancer among men in Cincinnati's urban and suburban areas.

Dr. Mills has achieved world renown through pioneering studies on effects of climate on society and still earlier work on pellagra.

"Lung cancer rates are now found to be roughly 50 per cent higher since the beginning of 1956 than in the nine preceding years," he reported. "They are in even closer association with the three major pollution factors: Cigarette smoking, general air pollution and liquid-fuel motor exhaust gases."

Dr. Mills found that although lung cancer incidence among smokers more than doubled if they drove more than 12,000 miles a ye in urban traffic, "there was no such effect from even greater driving mileages by country men on the more open country highways."

Dr. Mills predicted that "this association of heightened lung cancer hazards to high urban driving mileages . . . will almost certainly become more emphatic as motor traffic density worsens and human exposure to its hazards lengthens through coming decades.

"The need for legislative action to halt this increasing health menace seems clear and unambiguous," he said, adding:

"The most effective handling of this health problem would seem to include, first, the establishment by the medical profession of safe standards beyond which pollution of urban atmospheres should not be allowed to go, and, second, the translation of these maximum allowable limits into local, state, and federal legislation limiting the output at source of the primary polluting factors. . .

School Adds 4 Pages In Keramos Yearbook

The "Keramos," official yearbook of East Liverpool High School, will be larger by four pages this term.

The pages were added because of the large Senior Class this year. Last year's book had 140 pages.

Students are ordering the yearbooks now. They cost $3.50.

The end sheets, which were blank in the past, will carry colored pencil sketches of East Liverpool High School buildings and Carnegie Library.

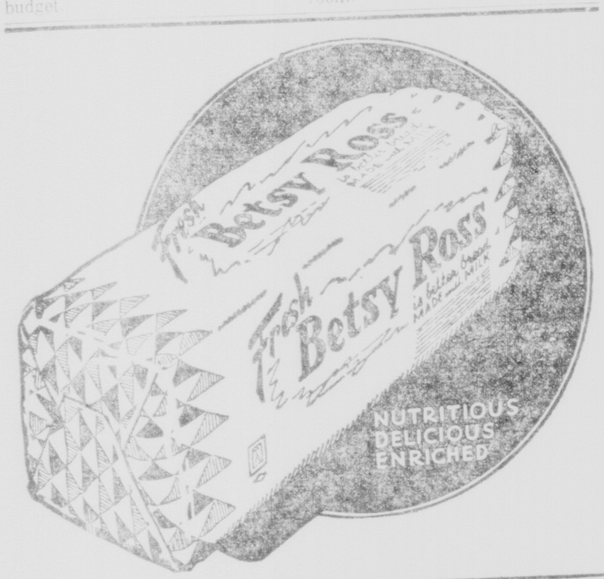

Fireman Elected As Vice President

Richard Kinsey was elected vice president of the Liverpool Township East volunteer fire department at a meeting Wednesday night at the Dixonville station.

Kinsey replaces Patrick McNicol, who resigned. It was reported a survey of homes in the eastern half of the township will be completed this week.

Teams of firemen are visiting each home with a questionnaire to gather information to aid the department in event of fires. The program was started during Fire Prevention Week but was delayed because of the weather.

Seventeen were present. Paul Cunningham, president, presided. Robert Badger served as acting secretary in the absence of John Laitsch, who is recuperating with a broken leg. The next meeting will be Oct. 28.

Water Bill Set For Midland Fire Hydrants

Midland Council was notified Wednesday evening by the Midland Municipal Authority that water line and fire hydrant improvements will result in an increase of $100.17 quarterly for fire protection, effective with the period ending Nov. 30.

About three-fourths of a mile of line was added, raising the total to 12.45 miles, and 3 hydrants were installed with 71 now in use.

The cost of the water facilities for fire protection is $516 per mile and $8 for each hydrant, a total of $6,992.20 that the borough will pay, an overall increase of $400.68 a year. Quarterly billing will be $1,748.05 instead of $1,647.88.

Council opened bids for a snow plow and a leaf loader and they were turned over to Atty. Robert Masters, solicitor; R. E. Steebner, borough engineer, and the street committee for study with authorization to act after a motion by Councilman Raymond Presutti.

John W. Patterson Co. of Carnegie bid a net price of $1,046 for a snow plow with two equipment options, and the Brinker Supply Co. of Pittsburgh $2,695 for a leaf loader and $672.30 for a snow plow to be mounted on the truck.

The Highway Equipment Co. of Pittsburgh entered a bid of $900 for a snow plow with options, and the Allied Equipment Corp. of Carnegie listed $3,170 for a leaf loader trailer mounted and $945 for a snow plow with options.

Council approved a request of American Legion Post 481 for $500 to aid the post in the Beaver County Veterans' Day observance to be held in Midland Nov. 11. The sum had been included in the borough budget.

Rudolph Presutti, tax collector, asked Council by letter to approve exonerations amounting to $173.20 on the 1958 tax duplicate, due to persons who could not pay taxes. Council voted to turn his request over to the finance committee for study.

Councilman Harvey Sponcer reported that firemen have received a letter of thanks from Police Chief E. J. Hineman for their work during the recent tanker truck fire in Industry.

Germusa reported that the second polio clinic Sept. 24 was a success with over 1,500 persons receiving shots. He congratulated persons who helped with the clinic.

Reading of reports was dispensed with on a motion by Sponcer. Bills were ordered paid on a motion by Councilman Lester Trainer Jr.

100 Attend Dinner Of Westgate PTA

Some 400 attended a coverdish dinner at Westgate Elementary School Tuesday night marking the kickoff of the annual Parent-Teacher Association membership drive.

William Persohn, vice president, gave the invocation. The welcoming committee included Ralph Widger, president, Ray Rigdon, John Garron and James Lowe.

Tom Dixon, principal, was toastmaster. He introduced guests including Supt. Ralph Betts and Assistant Supt. Paul Blair. Dixon presented Judson English charter president, a past president's pin.

The meal was served by Mrs. Ray Rigdon and her homeroom mothers. A musical program was presented by the Barber Curls Quartet, including Miss JoAnn Vannoy, Mrs. Jan Dietz, Mrs. Jean Gibbs and Mrs. Ginger Hile. The PTA will meet Tuesday, Nov. 10, in the school's general purpose room.

2 New Engines Added

24 Models In 1960 Plymouth Line

The 1960 Plymouth offers 24 models, according to city dealers, Central Service at 7th and Jackson Sts., and Mackall Motors, Inc., 1503 Pennsylvania Ave., who said there are three lines of cars—Savoy, Belvedere and Fury, and three lines of station wagons — Deluxe, Custom and Sport Suburban, illustrated above. They go on display Friday.

Two completely new engines are added in the 1960 line of six, each of different design and developed to ulfill a specific requirement.

The 30-D Economy Six with 145 horsepower is introduced for drivers who require maximum fuel savings.

The SonoRamic Commando V-8 with 330 horsepower, which brings ram induction to passenger cars for the first time, is primarily a "performance" engine with outstanding acceleration characteristics.

The Plymouth body and frame are integrated into a single unified structure, affording many advantages in both strength and space efficiency. The cars are easier to get into and out of, and seat heights have been raised for more comfort.

Although heavier gauge metal provides natural resistance to corrosion, body protective coatings are applied in seven separate dipping operations, supplemented by six intensive spray applications.

Plymouth offers four transmissions, two manual transmissions and a Power-Flite and a Torque-Flite push button transmission.

Other features which Plymouth is introducing in 1960 includes Safe-T-Matic Door Lock system, which automatically locks all doors when the engine is started.

Another safety feature is the four - light emergency warning flasher system. Whenever a car must be stopped on a highway, a flick of an instrument panel switch starts all front and rear turn indicator signals flashing continuously and simultaneously as a warning to other drivers.

Swivel seats, introduced by Plymouth last year, are automatic for 1960. Optional on Fury and Sport Suburban models, the new seat swings out to meet you when the door is opened, and it swings back out of the way when the door is closed.

For Fury and Sport Suburban models, the driver's "Command" seat is standard equipment. It has a higher back for greater driver comfort and individual bolster treatment.

For the first time, Plymouth offers as optional equipment a six-way power seat.

There is improved heating and air - conditioning, two new radios, and a new RCA Victor record player, capable of playing 14 standard 45 RPM records for up to two hours of continuous entertainment.

Utility Guests To See Ohio Valley From Air

The Ohio River Valley from East Liverpool to Parkersburg is to be viewed by investment specialists from 28 leading financial firms in the East and Canada as part of a plane tour to be sponsored next Wednesday by the Monongehela Power Co. and sister companies of the West Penn Electric System.

The one-day flight will start from the Greater Pittsburgh Airport and cover much of Central Pennsylvania, Maryland and West Virginia. The final leg of the journey will be from the tip of the Northern Panhandle down the river to Parkersburg.

Driving In Cities Contributes To Lung Cancer, Doctor Says

CINCINNATI (AP) — Cigarette smoking is "the primary excitant of lung cancer," Dr. Clarence A. Mills reported today—but he added that in the course of a survey he found the "lung cancer hazard to smokers to be more than doubled" if they drive more than 1,000 miles a month in urban traffic."

Medical Society And Health Department Relations Cited

LISBON — Co-operation between a County Medical Society and the County Health Department is the subject of another article in a series on health and safety prepared by the Columbiana County Health and Safety Council.

"A County Health Department is to a village or township what a City Health Department is to a city or metropolis. The health commissioner heads your organized unit. Others on his team are health nurses, sanitarians, inspectors and recorders. The latter keep vital statistics such as birth and death certificates. Information thus gained is vastly important in determining the health and conditions of an area.

"A Medical Society wholeheartedly supports a County Health Department because it can carry out specific health measures which an individual physician is himself unable to do. These measures definitely are aimed at preserving or guarding the health of a community. This can be done in many ways.

"You may be familiar with the manner in which disease breaks out. In the 1920's there was a major outbreak of typhoid in one of the largest communities of Columbiana County.

"The city was practically paralyzed. The disease reached epidemic proportions, all doctors kept fighting it. But they could only attempt to save the sick or prevent disease in the exposed.

"It rested on the shoulders of the health commissioner to take general measures to pinpoint the source of the outbreak and correct the unsafe conditions. Wells were inspected and tested for bacteria. Septic tanks and latrines were checked. The quality of soil was determined to establish proper drainage. Finally, the cause was traced and the epidemic was stopped. There appeared to have been contamination of the drinking water.

"The Health Department safeguards your health. It sees to it that the food you eat in public places is prepared under sanitary conditions and handled by personnel who have been checked. It sees to it that your water supply is safe and that plumbing in public places is safe.

"It sees to it that your children are in a safe environment in school. School nurses carry out important functions. Johnny's vision, hearing, and teeth are inspected and, if found faulty, they are recommended to take proper action. A good part of this program is jointly carried out by a County Health Department and County Board of Education.

"We are all aware of inflationary trends and spiraling cost of living. But as a citizen of this county, are you aware that your appropriations for the County Health Department are the same as there were 10 years ago? The financial outlay has not been materially raised. They ought to be raised to meet increasing demands. It is your duty to support the health levy, which is necessary to keep your standards of community health up.

"Previously common contagious diseases are rapidly being eliminated. The fight against tuberculosis, venereal disease and more recently against polio has been and is being met with a good measure of success. The victory has been made possible through your voluntary contributions and support. Those dimes and dollars willingly given have made this a healthier and safer world to live in. The costs and outlay for research, prevention and at times treatment, when measured in lives and time are cheap at any price. This has been made possible through your support. Please realize that you need your County Health Department, but know also that your Health Department needs you. It needs your support and confidence. As one of the most effective tools of organized medicine, it is being supported 100 per cent by the Medical Society," the council said.

Girl Mutilated In Machine Depends On God's Handiwork

SALT LAKE CITY (AP) — Ears, eyelids, eyebrows and scalp stripped away, a 12-year-old farm girl depends for her future on a fight by doctors to restore, as they see it, the handiwork of God.

Christine Hayes of Blackfoot, Idaho, was mutilated when a potato combine seized her swinging pony tail during harvest work Monday.

A Blackfoot doctor kept her alive and, after telephoned instructions from Latter-Day Saints Hospital here, preserved the ripped-off skin in a gallon of salt solution.

Christine and her scalp were flown to the hospital. In a 6½-hour operation, the ears, upper and lower right eyelids and eyebrows were removed from the scalp and attached to her abdomen.

Doctors hope the rich abdominal blood will nourish them until they can be grafted back in place.

In addition, skin from the abdomen was grafted to her face and neck during the long operation.

The combine stripped Christine's head to the bone. Before the scalp can be restored, hospital officials said, the plastic surgeon will have to peel away a thin section of skull so that the skin will have a surface to which it can adhere.

The names of neither the Blackfoot doctor nor the Salt Lake surgeon were disclosed.

Hospital administrator Clarence E. Wonnacott, releasing details of the operation, said: "The surgeon took a gamble that it might possibly work. In the total reconstruction of the girl's face, it could be a marvelous accomplishment because no one can make an ear like God."

Woman Injures Legs In Tumble At Home

A city woman who suffered fractures of the legs was admitted Wednesday night to City Hospital where a man and a woman were treated yesterday after separate mishaps.

Mrs. Ida Leeson of Henry Ave. is in "fair" condition today with the fractures suffered in a fall at home.

James Eckstein, 23, of 1009 Monaca St. suffered a laceration of the right leg on machinery while at work at the American Vitrified Products Co.

Mrs. Betty Chrislip, 925 Commerce St., Wellsville, was treated for a cut of a finger received on glass.

Youth-For-Christ Film To Be Seen Saturday

A motion picture, "Teen-Age Rock," will be screened at the Steubenville Big Red High School Saturday at 7:30, according to the Youth-for-Christ group.

The film concerns the experiences of a young high school boy and traces his frustrations as he tries to find meaning in life apart from the spiritual motivation.

The film was produced by the Youth Film Organization of Muskegon, Mich., and is available for free showings in high schools. Also produced by Youth Films are "Seventeen" and "Going Steady."

Parents Are Charged

CLEVELAND (AP)—Welts and bruises on the back of 4½-year-old Mary Ann Zelenak when she reported to Garfield Elementary School kindergarten have led to charges against her parents, John and Regina Zelenak of Lakewood were freed on bond to appear in Juvenile Court Nov. 5 for hearing on a charge of inflicting excessive corporal punishment. Police said they admitted using a heavy wood paddle in spanking the child.

Athletic Head Stricken

OXFORD, Ohio (AP) — John Brickels, 53, athletic director of Miami University, is in a hospital here, the result of a heart attack Wednesday. Physicians said he would be confined to the hospital for at least a week.

'Blues' Carry Class Offices

"Blue" party candidates won all but three class offices at East Liverpool High School student elections Wednesday.

James Locke was named president of the Senior Class on an all "Blue" slate which included Steve Moore, vice president; Marsha Franklin, secretary, and Charles Barnhouse, treasurer.

Wilbur (Skip) Hall was elected president of the Junior Class, which also named "Blue" candidates Kenny Miller, vice president, and Bonny Robinson, secretary. Mary Ellen Stoffel of the "White" party was elected treasurer.

Paul Jarvis, president, and Becky Hyder, secretary, were "Blue" candidates named in the Sophomore Class, while Barbara Dallis was elected vice president and Darlin Bryan, treasurer, on the "White" slate.

Named To Parole Unit

COLUMBUS, Ohio (AP) — Miss Gloria Karpinski, 34, of Cleveland has been appointed to the newly reorganized Pardon and Parole Commission, Gov. Michael V. DiSalle announced Wednesday. Her term will expire in April, 1961.

Cleanliness At Prison Farm Plainly Impresses Governor

LONDON, Ohio (AP) — Gov. Michael V. DiSalle apparently had a pleasant evening at the London Prison Farm Wednesday. He was plainly impressed by the cleanliness and found a possible source of help for Ohio's mental hospitals.

DiSalle recently suggested that honor prisoners might be employed at mental institutions and when he asked Farm Supt. R. B. Eckle about using some of the 600 honor prisoners here, Eckle replied:

"Well, we could. It would work in a lot of cases. In some, it would not. In the past years we have not been getting the skilled men like we did."

When the governor arrived unannounced Eckle was taking a shower, but the superintendent soon guided DiSalle, his aides and newsmen through the institution.

In the kitchen DiSalle was so impressed by the cleanliness and lack of odors that he accepted Eckle's invitation to a steak dinner. It was the first meal the governor has eaten in any of the 26 institutions he has visited.

During the tour DiSalle stopped frequently to talk to some of the 2,143 prisoners, and several lifetermers asked consideration of cases.

Earlier Wednesday, DiSalle visited the Juvenile Diagnostic Center in Columbus, but was not quite as well pleased with what he found.

At the end of the tour he told the superintendent, Dr. Paul Kirch:

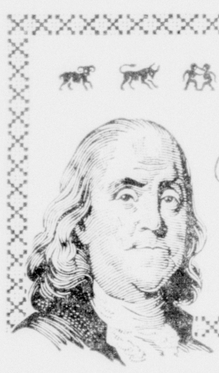

"You are on the right track but you need a little housekeeping."

Stressing the importance of the center's work, DiSalle said:

"The state spends $20,000 to keep a man in a penal institution for 20 years. We can spend $3,000 to $4,000 on a youngster now and do something for him. It is not only the humane thing to do but the practical thing."

Traffic Toll Hits 69

CLEVELAND (AP)—This city's traffic death toll stood at 69 for the year today, one more than in 1958 to this date. Latest victim was William Handy, 64, who died Wednesday of injuries received when he was struck by a car Oct. 4.

As Benjamin Franklin SAID:

"NOTHING SO POPULAR AS GOODNESS"

...and nothing will be more popular with your family or friends than Orange-and-Lemon Sandwich Cookies made with

FRANKLIN SUGAR

ORANGE-AND-LEMON SANDWICH COOKIES

¼ cup butter • grated rind 1 medium orange • 1¼ cups Franklin Extra Fine Granulated Sugar • 1 large egg, beaten • 1 tablespoon orange juice • 2 cups sifted flour

Cream butter with grated orange rind. Beat in ¼ cup sugar gradually. Stir in beaten egg and orange juice. Add flour and mix to a smooth dough. Divide dough in half and roll out each half separately on well-floured board to ⅛-inch thick. Shape with cooky cutter and bake on greased cooky sheets in moderate oven (375°F.) 8-10 minutes until pale gold in color. Remove at once to cooling racks and sprinkle immediately with remaining ½ cup sugar. When cold, sandwich with Lemon Filling.

LEMON FILLING

1 cup sifted Franklin Confectioners 10-X Powdered Sugar • 2 tablespoons lemon juice . . . Blend ingredients until smooth, and use immediately. Makes approximately 3½ dozen 2-inch sandwich cookies.

Ex-Tax Figure Pleads Guilty To 2 Bribes

COLUMBUS, Ohio (AP)—A Former supervisor in the Ohio Department of Taxation pleaded guilty Wednesday in Franklin County Criminal Court to accepting two bribes totaling $5,059.61 while he was employed by the state.

Judge Joseph M. Harter deferred sentencing Thomas A. Greiner, 36, of Columbus until after a report from the county probation department.

Originally indicted on four counts of bribery, Greiner agreed to plead guilty to two of the charges and the other two were dropped.

Greiner,a field supervisor in the highway use tax section of the Tax Department until his dismissal last April, admitted he accepted two bridges from Telson J. Fineman of Louisville, Ky., a trouble shooter for two trucking firms.

Assistant Prosecutor Richard Brentlinger said Greiner accepted $2,200 from Fineman for reducing the number of miles traveled by trucks of the Sims Trucking Co. of Chicago. This, Brentlinger said, resulted in a considerable reduction in the amount of tax charged the firm under Ohio's axle-mile law.

Brentlinger said the other count involved acceptance by Greiner of $2,859.61 from Fineman for manipulating figures of the Harwood Trucking Co. of Gas City, Ind., in considering a reciprocity agreement between Ohio and Indiana.

Dayton Man Jailed On Charge Of Murder

DAYTON, Ohio (AP) — Ferd Bennett, 51, of Dayton is in city prison here today, charged with first-degree murder in the fatal shooting of James Ecton, 54, also of Dayton.

Police said Bennett admitted shooting Ecton twice with a .38 caliber automatic in a near downtown bar here Wednesday night.

Bennett told police Ecton first threatened him with a knife. Police said Bennett left the bar, came back about 10 minutes later and fired two shots at Ecton. Bennett then laid the gun on the bar and as he went out the door he walked into the arms of a patrolman.

Lias Gives Testimony In Deportation Fight

WASHINGTON (AP) — William G. (Big Bill) Lias, one - time Wheeling, W. Va., race track owner, gave testimony Wednesday in his fight against deportation.

E. Riley Casey, special assistant to the U. S. attorney in the case, said the testimony by deposition was largely of an exploratory nature.

"We are exploring his background, including former activities as a bootlegger," Casey said. He explained that the government has the right to take such testimony by deposition in a civil case for possible use later in a court trial.

Portland Jail Inmates Due Bear Meat In Stew

PORTLAND, Ore. (AP) — Portland city jail inmates will be served bear meat, probably in stew.

A motorist telephoned police and said he had run over a bear on the Columbia Gorge Highway east of Portland.

Would the police like it? Yes.

Heads FFA Group

KANSAS CITY (AP) — Russell DeYoung of Akron, Ohio, president of the Goodyear Tire & Rubber Co., Wednesday night was named chairman of the sponsoring committee for the Future Farmers of America Foundation Inc. The foundation provides about $180,000 annually for awards to stimulate higher achievement among vocational agriculture students.

5 Executives To Ask Delay In Jail Terms

COLUMBUS, Ohio (AP)—Five hand-tool manufacturing executives, fined $5,000 each Wednesday and sentenced to 90 days in jail for price-fixing, return to court today trying for a 30-day delay in the start of their jail terms.

U. S. District Judge Mell G. Underwood, who sentenced the men, will hear their request. The 30 days, the executives claim, is needed to get their business affairs in order.

Besides the action against the men, Judge Underwood also levied fines totaling $90,000 against five firms involved in the alleged price-fixing.

The executives, being held without bond in city prison here, are:

John T. Mains of Greenfield, vice president of the Union Fork & Hoe Co. of Columbus; William G. Rector of Chagrin Falls, president, and Robert R. Raymond of Cleveland, vice president of the True Temper Corp. of Cleveland, and F. Bliss Winn of Parkersburg, W. Va., vice president of the McDonough Co. of Parkersburg.

The Union Fork & Hoe Co., True Temper Corp. and the McDonough Co. were fined $20,000 each.

Wood Shovel & Tool Co. of Piqua and Borg-Warner Corp. of Chicago were fined $15,000 each.

The defendants all entered pleas of nolo contendere, meaning they are in disagreement with the charges but did not wish to contest them.

Chicago-Hawaii Flight Seen Under 3 Hours

HONOLULU (AP) — Travelers will be flying from Chicago to Hawaii in less than three hours by 1969, says Robert F. Six, president of Continental Air Lines.

Six said he thinks his company can introduce supersonic craft on Hawaiian runs in 1967. He said the transports would fly 1,980 miles an hour or three times the speed of sound.

WILL HANDLE ONE OF THESE

$6,300—IN PLEASANT HEIGHTS
Right now it is three nice rooms and bath on a good lot, with good view and plenty of space for a garage. The upstairs will make two nice rooms with a little bit of paneling. The location justifies doing the few things which need done.

$11,000—LISBON ST.—
PLEASANT HEIGHTS
A nice country home in the city, with an acre of ground, yet it has all kinds of shade, shrubbery, and even some friut trees. There is room for a garden or to build another house without crowding. It has gas heat, one car garage and is on city sewer.

$9,500—BEECHWOOD—
TWO STORY, TWO BEDROOM
Nicely remodeled throughout, beautiful bath and kitchen—with wall to wall carpeting upstairs and down, picture window, etc. $1,500 down and assume Veterans Loan. $53 per month.

$10,500 FISHER PARK
It's a National Home about 7 years old on a lot 50x150, well landscaped with garage and patio. There is no basement, but the nice utility room and the spacious garage really make up for that fact. These homes hold their value, so if you keep it five years, how could you lose?

$14000. Four year old five room cottage located in nice quiet part of town. It has a basement garage, gas furnace, 3 bedrooms, all oak flooring, concrete patio, and a big 165x224 piece of ground. This property should warrant your inspection before you decide.

$21000. We have just listed this one and it's a honey. Located in the exclusive HILL ADDITION just off ST. CLAIR AVE. It's a 3 year old white brick with basement garage, gas furnace, four rooms and bath with ample dining space and latest type kitchen. Large roofed porch constructed with extra expansion in mind. Never expected to move again but owner got transfered.

For Capable Service
For Customer Satisfaction

You'll Be Satisfied With These 7 Steps

1. Accurately diagnose the repairs needed on your car.
2. Secure your authorization to do the work before starting.
3. Notify you in advance of any additional work we think should be done.
4. Perform all the work on your car as efficiently and as economically as possible and replace only those parts which in our judgment need replacing.
5. Road test your car after the work is done.
7. Provide you with an itemized bill showing exactly what work was done and exactly what it cost.

Have your car ready on time.

Neville Group Begins Season

Committee members and homeroom mothers for the 1959-60 were introduced at the initial meeting of the term of the Neville Home and School Association Tuesday night.

Floyd Murray, president, presided and introduced committees.

Support for renewal of the levy for City Hospital was urged by J. Donald Thompson.

Committees for the year are:

Ways and means, Mrs. Helen Armstrong, and Mrs. Naomi Cunningham; program, Miss Goldenbell Kelly, Mrs. Martha White, and Mrs. Edward Brown; reporter, Mrs. Carl Bell.

Social, Mrs. Victor Cline and Mrs. Norman Horner; membership, Frank Seevers and Mrs. Donna Murray, and delegates to the City Federation of Parent - Teacher Organizations, Mrs. Myrtle Pringle and Mrs. Murray.

Homeroom mothers are: Mrs. Hanna Davis, first grade; Mrs. Nancy Pryor, second; Mrs. Richard Davis, third; Mrs. Edward Brown, fourth; Mrs. Janet Landsbaugh, fifth, and Mrs. Earl Fuller, sixth.

An attendance banner was awarded the fourth grade. Lunch was served by a committee including Mrs. Pryor, Mrs. Esther Dillon and Mrs. Bonnie Webb.

The next meeting is Nov. 10, according to Mrs. Bell reporter.

Speaker Outlines Goals Of Grange

Mrs. Harry McDaniel of Parkersburg, wife of the West Virginia Grange master, spoke on Grange work and objectives for the year at a meeting of the Fairview Grange Tuesday night at the Pughtown Grange Hall.

About 30 attended the meeting at which a $10 contribution was authorized for a fund to send the Weir High School band to the Tournament of Roses Parade at Pasadena Jan. 1.

Charles Mills, master, appointed committee chairmen. They were Mr. and Mrs. Harley Ferguson, entertainment; Mr. and Mrs. Campbell Herron, social; Mrs. John Rice, home economics; Mrs. Pearl Cullen, lunch, and Mrs. Helen Huff, flowers.

Five members who will attend a meeting of the state grange at Jacksons Mills Oct. 22-24 are Mr. and Mrs. Charles Mills, Mrs. Harley Ferguson, Mrs. Joseph Ferguson, and Mrs. Rice.

Lunch was served by Mrs. Mills and committee. The next meeting will be Oct. 27.

Clarkson Woman, 88, Honored With Party

Mrs. Estella Vaughn of Clarkson was honored with a party celebrating her 88th birthday anniversary Sunday in the Clarkson Grange Hall.

A picnic dinner was served 50. She received gifts and cards.

Sons attending were Roy Vaughn of Mansfield, Elmer Vaughn of Youngstown, Harry Vaughn of Lisbon and Earl Vaughn of Weirton.

Daughters are Mrs. Rena Wilson of Columbiana, Mrs. Erma Beard of New Buffalo and Mrs. Grace Scott of Salem.

Other out - of - town guests were from New Waterford, Canfield and British Columbua, Canada.

There were 15 grandchildren and 13 great - grandchildren present.

Recruit Ends Training

SUMMITVILLE — Fireman App Joseph A. D'Angelo, son of Mr. and Mrs. Joseph D'Angelo, is spending a 14-day leave at home after completing nine weeks of recruit training at the Great Lakes (Ill.) Naval Training Center. He will report to the Naval Operating Base at Norfolk, Va., for transfer to the aircraft carrier Forrestal. D'Angelo entered service in July after graduation from Salineville High School.

Alton West Re-Elected Head Of Cherokee Boy Scout Area

Alton C. West, a purchasing agent for the Harker China Co. of Chester, was re-elected Cherokee Boy Scout District chairman at the annual election Tuesday evening in the home of American Legion Post 121 of Chester.

Judd English and Adolph Brandt, both of East Liverpool, were elected vice chairmen, and William Martin of Chester, district member-at-large. Eugene Sealy of Chester was appointed district commissioner, succeeding Dan Kelly.

Routine reports were given by William Rayburn, district camping and activities chairman, Tom Snow, district training chairman; Frank Rossi, district organization extension chairman, and Kelly.

Kenneth Mugridge, district field executive, reported that there still are five openings for scouts who wish to attend the Boy Scout Jamboree next July at Colorado Springs, Colo. Some 32 reservations have already been filled, he said.

Mugridge asked institutional representatives to contribute toward the Boy Scout monument to be installed next year at Washington for the Golden Jubilee of scouting. Scouts who contribute 10 cents will have their names on a scroll to be enclosed in the monument, Kelly said.

The district's annual Pow Wow will be held Oct. 25 at Westgate School. Next regular meeting will be Nov. 10 at 7:30 p. m. at the Chester American Legion home.

Midland Man Given Probation And Fined

Louis Steel of Midland, charged with burglary and indecent assault, pleaded guilty and was placed on 10 years probation, ordered to pay court costs and fined $500 Wednesday in Beaver County Court.

In default of fine, Steel will be sentenced to 1-2 years in the Allegheny County Workhouse, the court said. He was indicted by the September Grand Jury.

Walter Tillman of Midland, indicted for neglect to support children, was ordered to pay court costs and lying - in expenses for a hospital. He was also ordered to pay $15 a week for support of two minor children.

Walter Ambrose of Steubenville was given 6-12 months in the Beaver County Jail for larceny and fined $1. The time he must serve will be retroactive to July 13, the court said

Lisbon Grange To Hear Discussion Of Home

LISBON — The Lisbon Grange will meet tonight at 8:30 (DST) at the Grange Hall and County Commissioner R. Max Gard will show pictures of the condition of the Columbiana County Home.

This part of the program is expected to begin about 9 and will be open to the public.

James Crowell, master, will preside and members are to bring sandwiches for lunch.

Class Awaits Rings

SALINEVILLE — Rings for the Sophomore Class of Salineville High School, selected recently by a committee of six, are to be delivered in December by the Heriff-Jones Co. of Indianapolis. On the selection committee were Andrea Thomas, Jack Baker, Bud Leatherberry, Darla Johnson, Karen Boyd and Jean Needham.
